You are a real nice and cute girl. You have a wonderful personality and a since of humor to go with it. We had some good times this past year. I hope we will have some more.

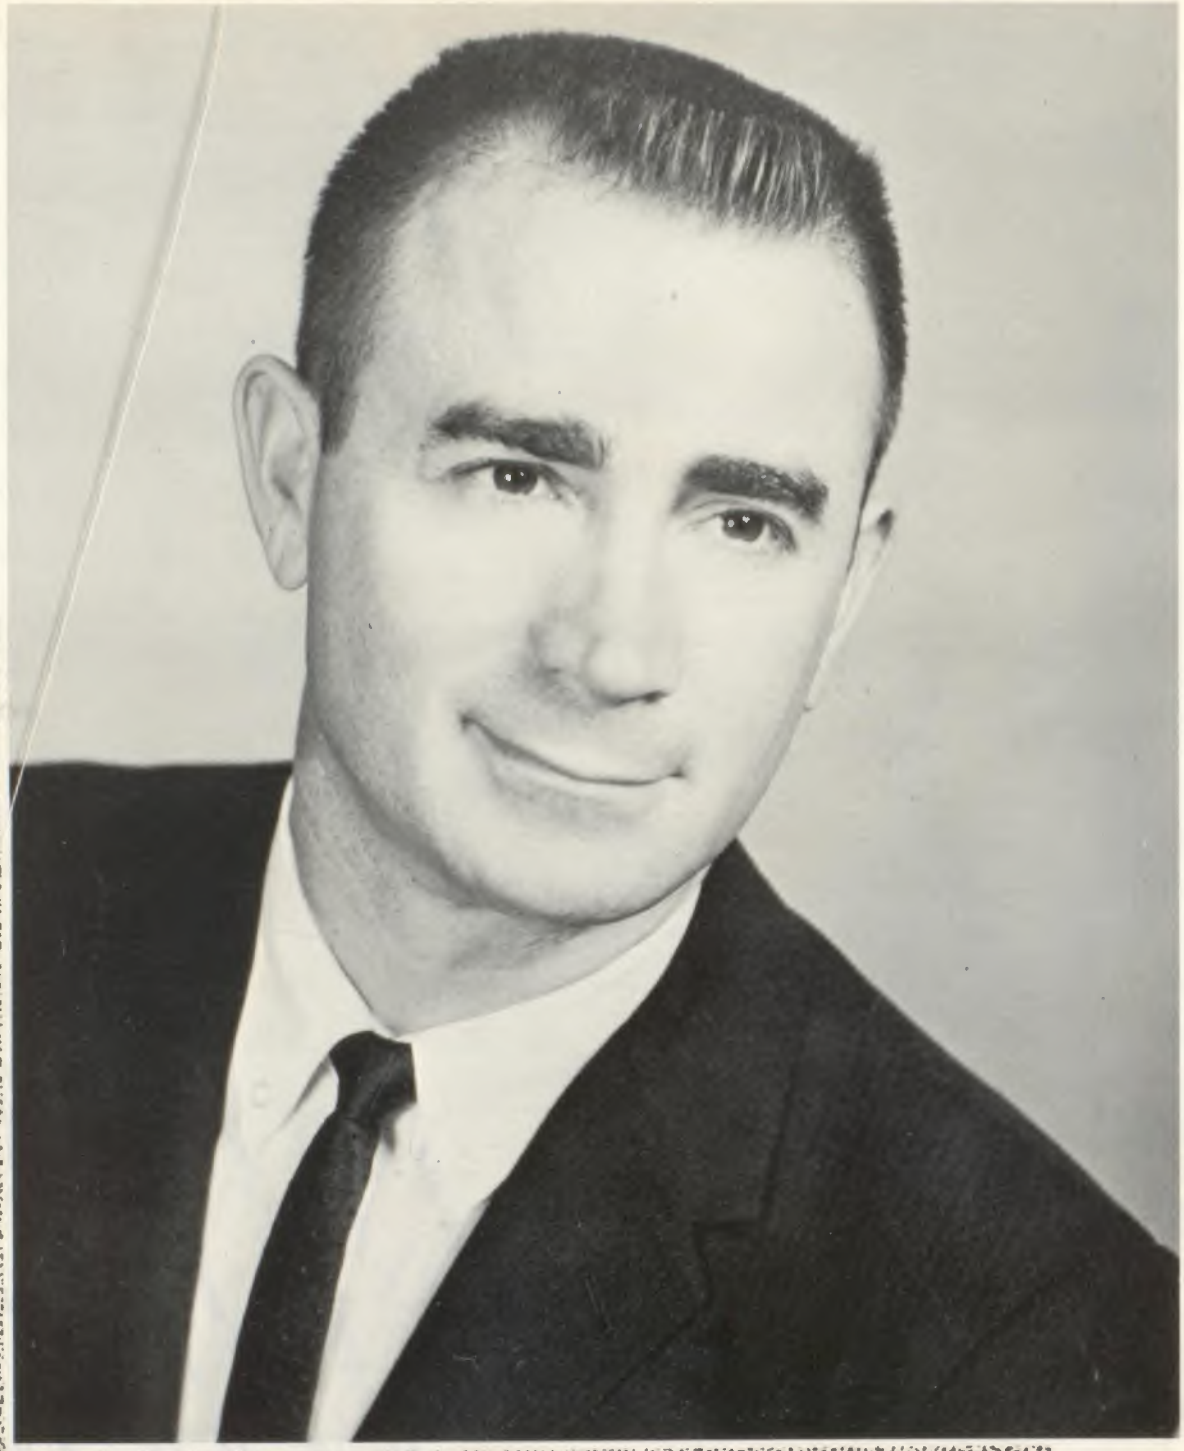
P.S. I'll sure miss you next year!



We proudly dedicate the 1963 Maroon to MR. HAROLD GENE HILL. We wish this gesture to express our appreciation for his loyal support of the student body, his outstanding personal concern for the welfare of his students, and his guidance in organizing and sponsoring our Student Council.

Well Bon this year is almost over, and just think, we'll be JUNIORS next year WOW Boy they say you just begin to have fun when you reach JUNIOR but I don't think they know how much fun we have had, We don't think we could get any wilder Ha We've had some pretty good times together like at the dam when you and Bubba Enichols went in wading and when I held his hand while he tried to put the fire out. Boy and the night we took (me and you) Charles Thomas clothes off at Lyndas slumber Party I don't believe her parents weren't shocked. Ha Ha Goodness. And the night Bubba Enichols, and you, Johnny Sheppard and me tried to walk through the woods from George Welch and the rest, Ha Ha that was fun. There is so many things I could mentioned, we've had so many lately I guess that just isn't enough room. Bon you are one of the best friends a girl could ever have and I mean that from the bottom of my heart. We've got to know each other better lately. I don't think we could get any closer than we have been these Past weeks (con'd on ads)

TO THE STUDENT BODY:

The beauties of nature are magnificent to behold. As I look around and see the beautiful natural setting God has placed man into, I marvel. It does make me wonder what is man that God is so mindful of him?

As the Space Age is here, we must realize that the pace of living has increased. Greater demands are being placed upon us each year. Our schooling must be given a place of first priority in our lives if we keep abreast with the developments of our times. We have a great challenge ahead. My sincere hope is that we will be able to meet it successfully.

Congratulations to "The Maroon" staff for this outstanding yearbook. This edition is a successful achievement for you.

Yours very truly,

As Seniors we have finally reached the end of our high school career. The twelve years we have spent together in school have been meaningful ones, filled with joys and sorrows. Realizing the great opportunities ahead of us we look forward with joyous anticipation to the future knowing that we have a firm foundation on which to build.

The Headhunters

LSU may have their "chinese bandits," but Atlanta has the Headhunters. The Headhunters are the defensive unit for the Atlanta Rabbits. They were originated this year for the first time in the school's history. The unit is composed of the toughest and best defensive football players on the team. It is an honor for a boy to become a member of this unit. Each boy believes he is truly the best football player in the world. Their emblem is the skull and crossbones painted on each side of the helmet. Their motto "We die by inches" very appropriately describes the feeling each boy has for his job. The Headhunter is truly a DEDICATED FOOTBALL PLAYER.

The "office coffee" not strong enough to keep your feet warm?

Mr. Hill, who are you trying to impress???

Then there's always the Gulf Stream!

That camera better not be loaded, Danny!

Mrs. King, your skirt's too short!

The pause that refreshes!

Which one has the Tonie??

Harolyn Hill

You better beat the tigers!!

Bobbie Cartwright

Now we know what really goes on when Mr. Cartwright is gone!

Yvonne, at least Lois knocked some down!

No, no, try it again!

Tresa and Frances have 39% fewer cavities because they use Crest!

You know how he acted! HA HA

Johnny - "I'm sorry for the way I acted at Brownwood!"
Becky - "He always says that!"

Yvonne
Well this is my last year here, and it seems like it your last one too. I wish you the best in Springfield but with your personality, you will always have many friends. I know everyone will miss you here. But you stay sweet. We had some good times, Yvonne, and some bad ones. (I'll always remember you for giving me fandelier fever!) I hope we can always be friends, because I value your friendship very much. Good luck in the future in whatever you attempt. Don't go off and forget me.

Always
Ellis

Bon,

Well, another year is nearly gone and it has really been fun hasn't it? I'll never forget those midnight Sparkana trips. They were really something weren't they? We have also had a lot of fun in band and other things. If you are really moving, I will always remember you and I hope we will always be the best of friends.

Love ya,
Kathy

Bon-
Hardly any room to sign approval but I'll scrunch it in here.
Hope you can read my scratch but I don't see how you can't. At last you'll have known a real live Yankee. I want to wish you all the luck in the world in a smart girl like you really deserve it.
Remember me!
