WE DEDICATE OUR ANNUAL TO A WOMAN WHO IS HERSELF DEDICATED

Always offering a comforting word and a helping hand, she has won respect of faculty and love of students. Her English classes are enlightened by her ability to add pleasure and satisfaction to learning. For showing her concern by sponsoring the Future Teachers of America, for exhibiting her rare ability to combine fun and work, and for being a true friend, we, the 1966 MAROON STAFF, dedicate this annual to:

MRS. BEULAH PECK

OUR PRINCIPAL

CAVER W. JOHNSON

To the Student Body, 1966:

I wish to congratulate the staff and sponsors of the 1966 Maroon for work typical of the fine school they represent. May this yearbook enable the students to look back with fond memories as they travel future paths.

We seniors, and all students of Atlanta's Public Schools, owe a measure of gratitude to the Board of Education. Although we often do not realize that they are working quietly "behind the scenes, our Board is at the head of the administrative functions of A. H. S.

A member of the Board of Education gets little recognition for many hours spent working hard. We would like to say to all of you, who have played such a major role in our high school life, a very sincere, "thank you."

THE 1966 MAROON STAFF

Rex Daniels, Laurelyn Wells, Kathy Slocombe, Mary Garrett, Mary Meyers, Martha Hunt, Martha Thompson, Janet Lynch, Beverly Ingram, Lowe Ann Cason, Bobby Ferrell, Mike Taylor, Nancy Nichols, Lynda Gholson

FINAL DEADLINE

As this last sheet of copy goes to press, and the re-usable materials are put back into the cabinets for the last time, and as the mountains of mistakes and wasted materials and soft drink cups are thrown away, we, the 1966 MAROON STAFF, have a sneaking suspicion that the 1966 MAROON will be the finest, most beautiful annual in the history of Atlanta High School. It must be because we have loved building it so much!

work!

- Dianne -

I'm signing your annual for the last time and it seemed appropriate to sign it here because this is the base from which I've found the most enjoyment. Remember (oops!) Dianne "you're a great girl, and one of the nicest and most likable in the Junior Class."

Best of Luck,
Love,
Johnny
Beebs

Here's the A.H.S. student sitting in study hall doing nothing when from the front of the room comes, "There too much noise in here!!" It's the terrible, mean, awful study hall teacher again!! Curse you John Bullson!

FIRST METHODIST CHURCH

North Louise at Hiram

Dear Dianne!

Well, here it is the end of a - would you believe - great Junior Year! Although we've been in different schools it seems like we've seen more of each other than ever before!

Just think - we've known each other nearly a whole 3 years! Seems like 300 years! I've had plenty of good time together and I know that as long as I live I'll never forget them! I've also had our "Dad" -- may be bad at that.

I hope that this summer things turn out better than we.

HENSON-KICKERNICK INC.

we can meet a whole new set of "males" - Rickon? I hope they'll be better than some we've encountered. Maybe I'll make it through college + I'll major in what ever field it is that intends to make a perfect male for the future.

MAKERS OF THE WORLD'S FINEST LINGERIE

I'm sorry that we got you into so much trouble by introducing you to that "too" saucer Joe Miller and glad for even exposing you to those "swirl" boys. If I hadn't you could have a real "true love" with some great Atlanta kid.

Looks like we're gonna have to trade places (and parents) you can have the swirl boy + I'll take an Atlanta one - OK?

Well, enough of this stupid nonsense! I hope that life holds the best for a - would you believe - cute + very sincere friend!

Good Luck! **HAGY'S**

Dianne,

I couldn't pass up the opportunity to write on your gorgeous blue sky; not that yours is better than anyone else's.

Chris has really been a "great" year. Would you believe a "mediocre year"... how about terrible! Well, anyway, we've had some good times.

Don't forget Amp's slumber party and our little escapade. Maybe one of these days, you and Frost will finally invite me to go with you on one of your "trips". I'm not hurt or anything. ~~Opps!~~ A tear just fell. I'm kidding of course.

Dianne, you are truly a wonderful friend. You have a stud personality, but you're not just like everyone else.

Stay the same sweet, loyal, sincere, cute, YOU! and you can't lose.

I wish you all the happiness you want, in whatever you finally decide you really want!

Love,
Lynda
