ATLANTA HIGH

TO EVERYTHING THERE IS A TIME . . .

These are the young years, the fruitful years when time means only the day after tomorrow. These are the years of wistful-eyed beings with tender dreams, but youth is brutal as well as tender, and youth is reality as well as a dream.

A flower blooms and fades and blows away--and blooms again, according to the season; and in like manner youth exists from spring to spring, for to everything there is a time.
