FOR EVERY ACTION, THERE IS A . . .

. . . REACTION

Newton's law, "For every action there is a . . . reaction", applies not only to science but also to people. Life is composed of actions and reactions. There is the action of a touchdown and the reaction of cheers from the stands; the action of being elected to the NHS and the reaction of pride; and many others. The story of AHS, 1970, can be read not only in the actions or events of the year but also can be read in the faces of the students and faculty.

MR. AHS

BARRON CHRISTENSEN

Barron worked toward bettering school and community. As President of the Student Council, he is an outstanding leader. He possesses qualities and fine character which set good examples.

MISS AHS

DIANNE HARRIST

Dianne worked to improve spirit and promote school pride among her fellow students. The 1969 Rabbits chose her as their sweetheart. She is well known for her drive, friendliness, and love for A.H.S.

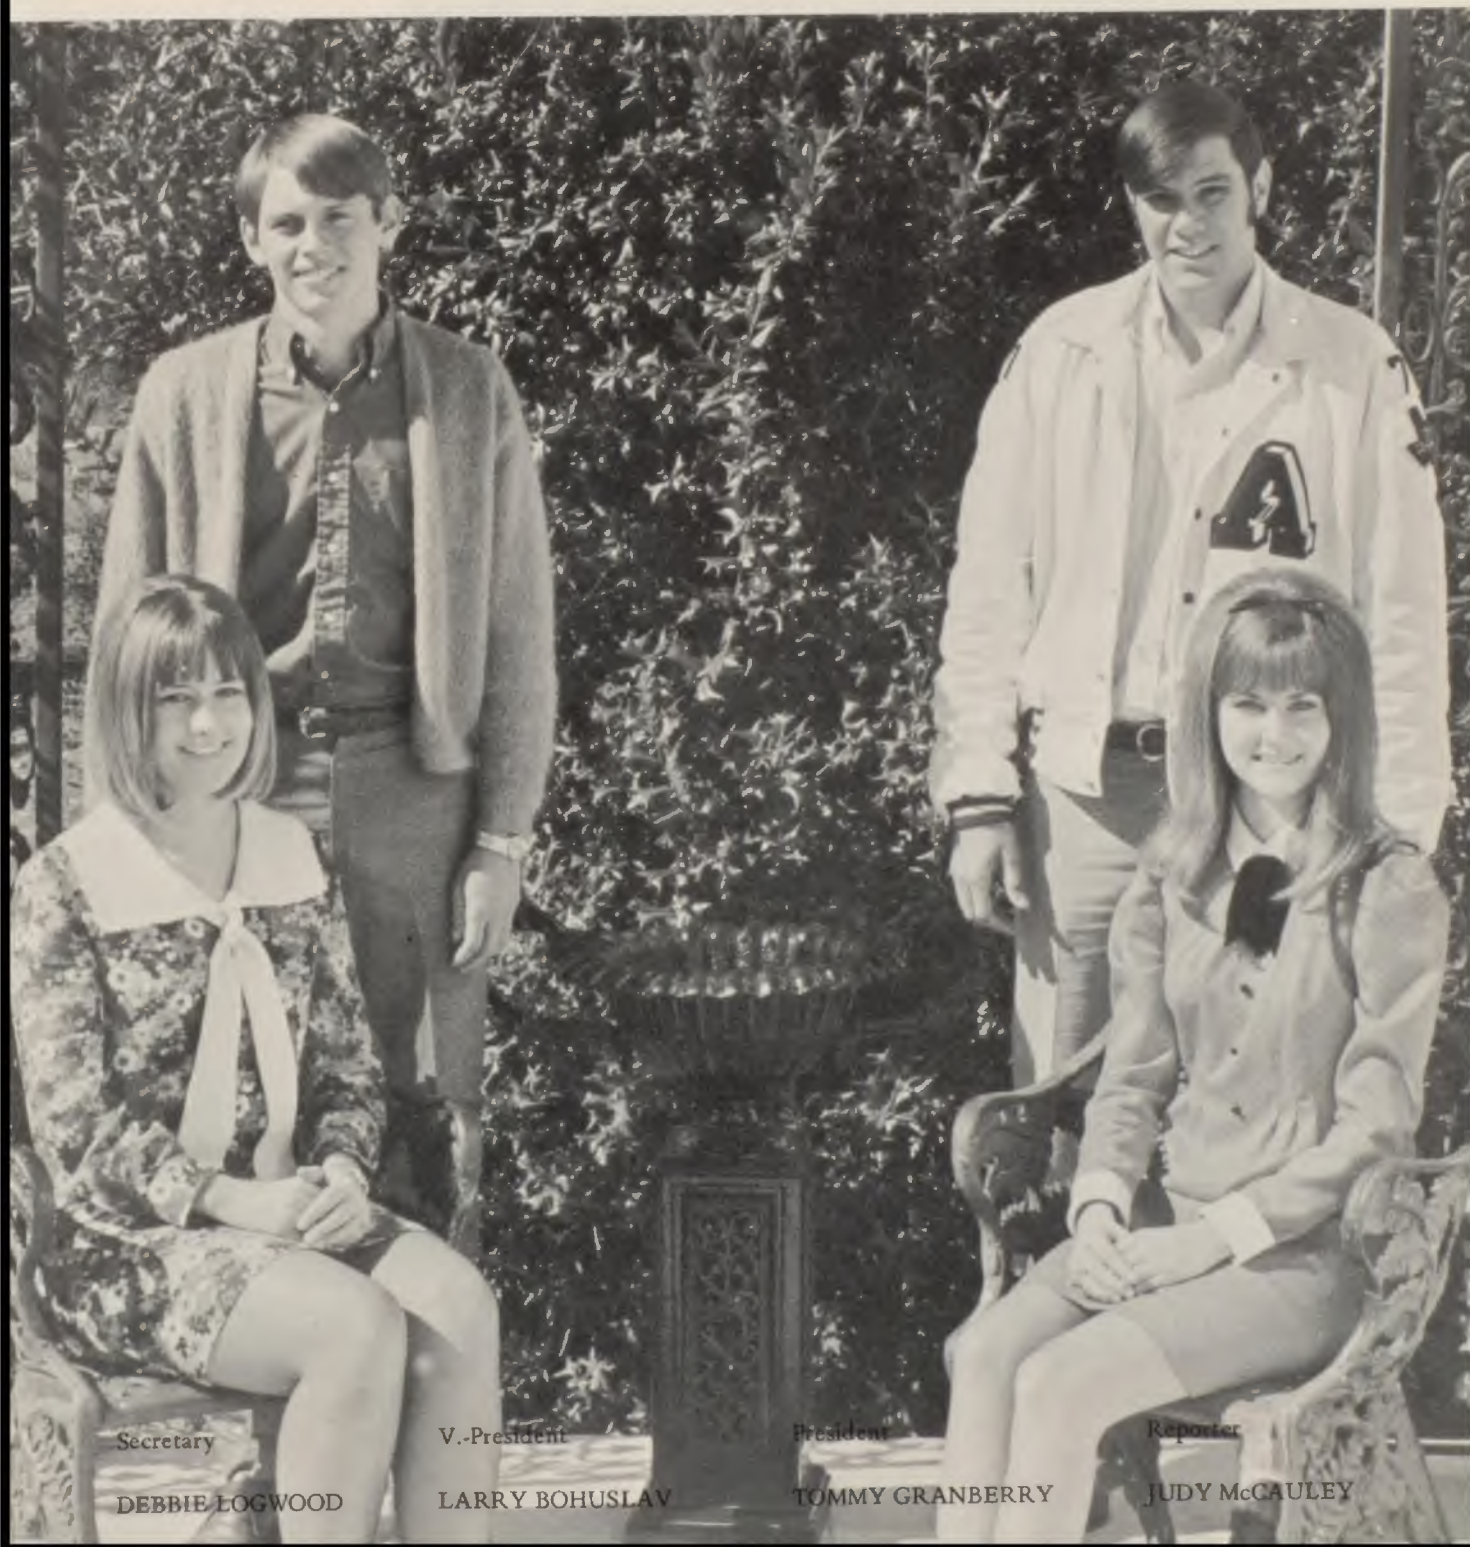

WITH THE FADING OF SUMMER INTO FALL WE WITNESS THE ABANDONING OF SUMMER ACTIVITIES TO ONCE AGAIN ENTER THE CHALLENGING DOORS OF LEARNING. THE BEWILDERED AND SOMEWHAT FRIGHTENED FRESHMEN, THE EAGER SOPHOMORES, THE CONFIDENT JUNIORS, AND THE PROUD BUT SOMEWHAT SAD FACES OF THE SENIORS FLOOD THE CROWDED HALLS TO UPHOLD AND RESPECT THE LOYALTY OF OUR ALMA MATER, ATLANTA HIGH SCHOOL.

THE FACES OF ATLANTA HIGH ARE MANY AND VARIED BUT THEY REFLECT YOU THE STUDENT BODY. YESTERDAY A HAPPY FACE, TODAY SADDENED, TOMORROW A TEARFUL BUT EAGER FACE MEETS THE WORLD WITH MEEK ANTICIPATIONS

T & I

As the 1969-1970 school year draws to a close, and as you, the students of AHS, go your separate ways, not knowing if happiness or sorrow will cross your path, hold the thoughts of your days spent in AHS as the happiest of your life. Turn to the crumbling structure which houses the best of students and adults, and simply say, "Thanks for the memory."

DEDICATED EFFORT

PRIDE and ECSTASY

Somebody once told me that a good football player is always born and never made. I disagree with this 100%. Determination is what makes a good ball player. There is that one thing that is always found in good athletes, and you can spot this quality a mile away. If a boy doesn't have this determination, he will never be a great athlete. This certain quality shows itself from the very beginning because it is outstanding. Always remember this little saying and you'll never go wrong, "If what you did yesterday still seems big to you today, then you have not done enough today."

—Written by Coach Jackson while a Junior at AHS
