ATLANTA HIGH SCHOOL

In the fall of this school year the student bodies of three high schools united into one large building. Just as this school went through various stages to its completion, so does the student travel to adulthood. It is these stages that we, the MAROON STAFF, have tried to convey to you in the 1971 MAROON.

AHS Faculty

A teacher helps to mold a generation giving them answers and reasons for believing.

From his desire to help his students learn, he must enkindle them with the desire to learn.

He must be their understanding friend and, at times, he should even be one of them. For only then can he build on yesterday, adapt to the requirements of today, and prepare for the purpose of tomorrow.

In this, the Pursuit of Excellence, the faculty of Atlanta High has proven itself well.

Seniors in Action . . .

The Seniors of '71 left their old tradition behind to establish a new one that will be an example for others to follow in the years to come. They were the first to walk across the new A. H. S. stage at commencement to receive their diplomas and to take their place as leaders of tomorrow. They chose the following as a remembrance of their senior year:

**Class Song —
“We’ve Only Just Begun”**

**Class Motto —
Less Than Our Best Is Failure**

**Class Colors —
Purple and White**

**Flower —
Iris**

Spirit

My school has a spirit
freed by a rousing cheer;
a clapping of hands
or a broad smile of victory.
My school is spirited
in time of demise,
on the athletic field
or in the class room
and there is a swelling pride of awe
when the alma mater is sung.
