ATLANTA HIGH SCHOOL

*Atlanta Independent School District
Atlanta, Texas*

A DEDICATION

He has been with Atlanta many years. He has contributed a vital importance to Atlanta High School and we will miss him dearly. He has always been there when we needed his guidance. When we saw him, he always greeted us with a warm and gentle smile. His spirit will always be with us. We, the 1982 Maroon staff, would like to dedicate the 1982 Maroon to *Mr. Caver Johnson*.

Future Teachers of America

Boys' State

Boys' State Delegate, **Perry Primm** and **Scott Conly**, were sponsored by American Legion. They learned how a Government was formed all the way from city government to electing State Officials. The time they spent at Austin will never be replaced.

Girls' State

Girls' State Delegates, **Dianne Coats** and **Jacqueline James** (not pictured), were sponsored by the Atlanta Rotary Club and Lions Club. They took a bus to Seguin, Texas and there they learned what it is like to be Governor and what it is like to hold a real election. Learning these things about the U.S. Government will always be an asset to them.

"WAS that Breakfast good, Mrs. Tomberlain?"

The Student Council has worked very hard this year. They restored class favorites, sponsored a Christmas Program, a Breakfast for the Faculty, a class spirit contest and many other things. Heading the Student Council are the members of the Executive Council. When you see a member, be sure to thank them for all they have done for Atlanta High.

First Victory! Atlanta Rabbits Take Clarksville, 22-14

By CHARLEY BARKENT

How sweet it is to score a victory after having tasted defeat three times in a row.

The Atlanta Rabbits played defense in the first half and offense in the second half and the two units combined to give the Harve their first victory of the year Friday night over a stubborn Clarksville team 22-14.

Junior tailback Richard Singer rushed for 98 yards, including a decisive 76-yard touchdown run late in the fourth quarter which lifted the Rabbits to an eight-point lead.

The Tigers fought back gamely and were stopped by a David Singer interception inside the Rabbit 10-yard line as time ran out. The interception halted a 7-play 60-yard Tiger drive in the final minute of play.

The Rabbits were forced to play conservative football after the defense released on a play at the end of the first quarter and watched as Tiger quarterback Keith Stroud tucked the ball in and rambled 31 yards on an option play.

"We played great defense except for one play in the first half," Head Coach Jack Coleman said following the game. "The run 31 yards on that one play, but we caught up leading them to 76 yards total rushing in the first half. That means we held them to a minus five yards for the rest of the half."

Atlanta couldn't find the offensive punch to score in the first half, although they picked up five first downs in the Tigers' two. Two fumbles were responsible for the inability of the Rabbits to sustain a drive.

It was evident Atlanta was a different team as the second half unfolded and the offense suddenly began to click. On the Harve's second possession, Singer ripped off a gain of 31 yards and two runs of seven each to put the ball on the Clarksville 20. On a fourth and 11 situation, Willie Haves a strike to Curtis Singer at the Tiger 15 for a first down.

Singer roiled around right and 36 eight yards and a touchdown on fourth down with 4:47 left in the third quarter and Steve Butler kicked the point after to knot the score at 7-7.

What momentum Atlanta seemed to have gained was destroyed in the next Clarksville drive. The Tigers took the field and marched 62 yards to 23 plays with Tony Jackson going for his last 44 yards for the score. Key plays in the drive were passes from quarterback Val Varley to Kirk Turner and to James Nichols.

But the overconfident Atlanta had found at the ball allowed up to the next series of downs as Atlanta took the ensuing kickoff and came right back.

Freeman Peters gathered in the kickoff and returned it to the Rabbit 36. After two carries and seven yards by Singer, the Rabbits again tumbled upon the junior tailback. This time he broke

a big gain to the Clarksville 27 and on the next play, he slipped around and was caught 14 yards down until he was at the Clarksville 9.

Three more successive runs by Singer failed to produce the much-needed touchdowns and on fourth down, with the Tigers called in drive on Singer sweeps, fullback Johnny Cook took it right up the middle for the final six yards and a touchdown.

Trailing 10-7 at this point of the game with 7:22 remaining to be played, it was decisive-making time for Coleman and his troops.

The decision was to try to tie the game with a kick, but the Rabbits were afraid any blocked PAT by Butler. Half the distance to the goal in the penalty made the coaches reassess the situation and the decision to try for the two pass conversions and the go-ahead score was made.

With everybody in the stadium looking for a Singer sweep, including Clarksville, Coleman again sent Cook up the middle for the conversion and the winning points.

Cook only had four carries in the night and picked up 10 yards, but he made them count as he came through with eight points and what proved to be the winning points.

The one-point lead was not a comfortable lead and it became even more doubtful after Atlanta was called on a roughing the kicker penalty having stopped a Tiger drive cold at the Clarksville 41.

The penalty gave Clarksville new life at the Atlanta 46-yard line. After a first down on two carries by Jackson and one by Deryl Collins, the big turnaround came.

David Singer picked off the first of his two crucial interceptions with 4:24 remaining at the Atlanta 13-yard line.

Worked deep into their own territory this late in the game, the Rabbits were thinking about ball control and not giving up the ball on a fumble or a mistake. But Singer was obviously thinking about another touchdown.

On a key third-and-four situation, Singer took a pitchout from Elliott and circled right end. He found enough running room for the first down and lightstrapped the right side line for what appeared to be a good gain. Just as it appeared he was out of bounds or about to be tackled, he cut sharply to his left and came back across the field toward the Rabbit bleachers and the screaming fans and outraced the Tiger defenders for a beautiful 76-yard touchdown scamper. The play came with 2:22 left to play. The PAT kick was good by Butler and the Rabbits had an eight-point 22-14 lead.

Butley continued his heroics in the subsequent Clarksville drive as he made a diving catch of a bobbed Tiger pass that he was assumed able to catch at the Tiger 30. There was only about two minutes left in the game and it appeared the interception had spelled the Tiger's doom.

But there was no split in the Tigers and they put on a dazzling passing display in a two-minute drive after after sniping the Rabbits cold at the Clarksville 27.

Shoved his Ronnie Hilde with a pass over the middle to the Tiger 46 and came right back with two successive completions to Donald Williams to put the ball on the Atlanta 21-yard line.

Only 25 seconds remained on the clock, but it seemed it might be enough as Clarksville sent its last kick out. A Rabbit defender hit Varley's arm just as he was about to throw on first

"Life today is a sharp and clear image, yet time will dull all with forgetfulness."

Between the covers of this book, we have attempted to keep alive these times so they will never fade away from our memories. In the years that we have been at Atlanta High School, we've learned, we've cried and somehow, we've grown. Soon, only the memory of these moments will remain, but they will be recorded in this book forever. Our many thanks to Mrs. Jean Pratt and Mrs. Anna Beth Kennedy, our advisors, for all their support and guidance, and to the Maroon Staff for all their hard work and all the long hours that they have put in. Many thanks to the teachers and office staff, for their cooperation and help, but most of all, Thank You the CLASSES OF '82.
