# More Homecoming

The yearly Homecoming parade is a big event in Atlanta. As seen in picture (A) the football team rides through town on the firetruck. Of course, the mums (B) are the highlight of a girl's homecoming. Each girl waits expectantly to see if she will receive one of these prized treasures. The game itself was great. It began with a burst (C) as the team ran through the Homecoming sign and the scoreboard (D) tells the whole story — 30 to 8!! QC, who? (E) The band shows one of the many activities it is involved in on Homecoming Day.

# Let's Go

Do times ever get too rough to bear? Well, GO CRAZY!!! (A) **Missy Turner** just might be afraid of mice as she jumps into **Rod Mullens'** awaiting arms. Or is she? ## SCHOOL BOARD

School Board members are sitting: Chester McClure, Assistant Supt.; Weldon Gibson, Scott Anderson, Sonny Carney, Standing: John Wilson, Max Bain, George Welch, and Robert McCord, Curriculum Director.

In September, Atlanta ISD lost a leader and a friend. Bill Atwell, who came to Atlanta in July, 1977, from Marshall ISD, faithfully served as superintendent until his death.

Everything he did was for the improvement and aid of the school. Under his leadership many improvements were made in both the physical plant and the academic areas. The building of the bus barn, the improvements at the football stadium, the renovated junior high and the two additions at the primary school were all accomplished under his leadership.

The academic awards banquet and scholarship night were started during his time in Atlanta. He held an extreme interest in UIL activities. He encouraged students and teachers to participate in UIL activities. All the extracurricular programs had his full support.

Mr. Atwell was a deeply respected and loved man. He was a dynamic leader who inspired others to do their utmost on any task. Atlanta ISD is a tremendously better place because he came our way.

## IN REMEMBRANCE

Sonya LaNelle Felkins  
March 26, 1967 —  
December 30, 1982

Dawn Roshea Sullivan  
November 13, 1966 —  
December 30, 1982

The Class of 1985 would like to recognize two very special people who meant a lot to all of us. Our lives have been enriched by having known these two girls. Their vibrant personalities filled the halls of A.H.S. for two years and they brought a glow with them wherever they went. The memory of Sonya Felkins and Dawn Sullivan will live forever for we will always carry it in our hearts.

Sharon Rockwell, Pam Richardson and Lisa Oliver seem relieved that the test is over.

Pam Partain and Kim Turner are always ready for math class.

Geniece Brewton, Angie Hicks and Melissa Dellinger like to spend band period outside the band hall.

AN AMAZING GROUP — Timmy Srygley, B. J. Moore, Jerry Wheaton and Cary Purtle.

Scott [redacted] Hill Welch pose for the camera while Liz Machicek can't be bothered.

Steven Davis had rather smile than go to work as Tony Favors has.

Eric Hill must be in isolation.

Wonder what evil trick Randy Whited has just thought about?

## Rabbitland Band Agenda Revealed

By DANA POWELL

The Big Bad Band from Rabbitland is kicking off on the right foot once again. With summer band practices and the Forest Festival and homecoming parade behind them, much more to come over the horizon as the band prepares to go to marching camps.

First on the band's agenda is the Four States marching contest in Texas on Oct. 26. "This contest is very early in the year for us," said Charles Herrick, band director. "We're on our normal stage for this time of year, but we feel rushed because the contest is about a week and a half early."

The second contest that the band will attend will be the first of three UIL sanctioned contests. The district competition will be held in Tarrantine at Croton Meadows on Oct. 27. "We are one of two outstanding bands of the state," they will then travel to Mesquite for the regional marching contest on Nov. 3. This could be the first regional contest the band has ever participated in.

"In the past, each region (now referred to as districts) could carry two bands in each class for state competition," Herrick said. "This will definitely eliminate the large number of bands that attend, make the contests more manageable, and upgrade the quality of the performances."

The state contest will be held in Austin on Nov. 13-14 and hopes are high that the band will be able to participate in this contest.

Next comes the time to put those dirty, nasty, worn-out marching shoes in the trash and focus on instrumental skills only. District tryouts are held on Dec. 9 and the region tryouts are held on Dec. 11. With Christmas right around the corner, the band will once again strike up with "Frosty," "Rudolph," and other seasonal songs in preparation for the Christmas concert on Dec. 14. After the Christmas holidays, a matter of days stands between the

area tryouts which will be held Jan. 12. A month of hard work and long practices will be in store for several members of the band as they prepare to attend the UIL, 4A and Ensemble Contest on Feb. 13-14. On March 5, the stage band will perform a concert in the high school auditorium. The stage band is a

feature band of selected trumpets, trombones, saxophones, percussion and electric guitars in a jazzy style and offbeat tunes create a sensation of fun and light-heartedness for the stage band's audience. The songs range from tunes like "Yanky Doodle" to beautiful melodies that are apt to bring tears to one's eyes, such as Kenny Rogers' "Lady."

The symphonic band, under the direction of Charles Herrick, and the concert band, which Bob Chapman will direct, will then perform a preview of all their concert pieces on April 2.

On April 18-20, White Oak will be taken to the UIL concert competition for both Atlanta bands.

This will conclude the serious atmosphere of playing season and spring fever will take its hold on the students, especially the anxious seniors. The episode of the seniors' year in the band will take place May 3-4 as they are treated to a last high school fling on the senior trip. Even though it seems like the band's role in year-end activities is

coming to an end, there is still more in store as they begin working on the spring concert. This is the last concert of the year and it is alive with off-the-wall songs, old favorites, and maybe, just maybe, a slight hint of what is to come for next year's band. Plans for this concert are not positive, but it will take place during the middle of May. Goodnight, Rabbitland! The seniors wish with relief and a bit of a tear. The band slowly comes to a halt after playing some more at the graduation ceremonies.

The goodbyes probably won't last long enough for most band members, because 3 months later they'll be back on the practice band, with the sun blazing down, ready to start the ball rolling again on the same path it's rolled many, many times before.

For people who don't think band is quite up to par with athletics and various other school organizations, the feeling of accomplishment one receives as the season ends says "The Big Bad Band from Rabbitland" speaks for itself. Many of these people have never and probably never will experience that sense of pride that forms a wall between the Atlanta band and other bands.

A talented director and assistant, long practices, strict discipline, thorough learning of the basics and steady working among the band for a common goal to be the best pay off in the long run.

The Atlanta band is not just a group of kids brought together by the same fourth grade class schedule. This group is bonded together by pride, patience, love and a relentless drive to be successful.

But, then again, what else could one expect from the "band with stars in '84'?"

Keeping In Step

THE FIRST STEP of being in the spotlight comes with the band's last-minute performance at football games, as members practice to perfect their drills.

## Oct. 23 Slated PSAT Test Day For Juniors

By PAM RICHARDSON

The Preliminary Scholastic Aptitude Test will be given Thursday, Oct. 23, to any juniors wanting to take

the test. The test will be given in the library from 8:45 to about 11 a.m. The fee is \$5 for each student tested. The test will measure verbal and mathematical abilities. Students will be tested on aptitude, sentence completion, reading comprehension, and analysis in the verbal section. In the mathematics portion they will be tested on logical, numerical, and

graphic techniques. Students will not be tested beyond elementary algebra and geometry. About 100 students are scheduled to take the test," said Sidney Harriet, counselor. "The test will provide an opportunity to familiarize the students with types of questions similar to those on the SAT which many college-bound students take."

Students take the PSAT for several reasons. It is the qualifying exam for students wishing to participate in competitions of the National Merit Scholarship Corporation. Students also want to find out how they rank among their peers in other parts of the country.

Students taking the PSAT have been given a student bulletin containing a complete practice test with an answer key and scoring instructions," said Harriet. "After the test they receive a booklet that helps them to interpret their test results and plan for the SAT."

Early helpful for students is of Student Answer, a students receive after scores are calculated. This

report includes the correct answers and their own responses and scores. They also receive their own test booklet to review the actual questions, see the ones they got wrong, and try to figure out the correct answer and why they may have missed it.

"During the test, it is best for students not to guess at any answers," said Harriet. "If a student comes to a question they do not know, they should skip it and go on nothing will be counted against them."

Students have also been told the test is not mandatory and it may be rescheduled more often than the SAT. If there are any questions about the PSAT, parents may contact Sidney Harriet from 8:30 a.m. to 3:30 p.m. at 798-4411.

### Six Girls To Run Cross Country Meet Set

By SHELLEY HIGGS

For the first time in the school's history, six girls will be running in the district cross country meet Saturday, Oct. 20. Tami Magee, Patricia Glover, Sonja Skagen, Charlotte Collins, Kim Gohm and Laurena Propps make up the team.

"I'm hoping that we finish high up in the team standings and that at least one of our girls finishes in the top five in order to go to regionals," said Gus Harmon, cross country coach. The top five individual finishers and the top two teams at district will then advance to regionals Oct. 28 in Arlington. According to Coach Harmon, how

though the competition will be with other schools is not known. "I'm not sure if every school in the district will have a team, but surely have individual runners."

Since this is the first year for the girls to work hard on a day practicing in the morning. Every day during the period the girls can be seen running on the mile and a half course that winds around the school campus and through the woods behind the school.

If the girls do well at district, advance to regionals, and eventually progress to the state level, Southeastern University in Georgetown will be host in the state competition Nov. 8.

### HB 72 Promotes Failing Notices

By ANITA HEAD

House Bill 72 has mandated a law that requires all teachers to notify the parents when a student is failing. These notices will be sent out on the day that report cards are distributed.

In section 27.711 of House Bill 72, it is stated that a district may not grant social promotions. Students may be promoted to a higher grade only on the basis of academic achievement. Going along with that, a student who has not maintained a grade average of at least 70 for a school year may not be advanced from one grade

level to the next. A student who has not maintained a grade average for a course equivalent to at least 70 may not be given credit for the course.

The notice sent out by the teacher has two dates that the parent can come for a conference. If unable to attend at either time, the parent is asked to request a time that is convenient.

All notices should be returned to school with the students' report cards. If not returned then, the teacher will send an additional notice through the mail.

### Seniors Tell Thoughts On Presidential Debate

The first of the "Great Debates" got underway this past Sunday night. President Ronald Reagan, the current title holder in the Republican corner, met Walter "Fritz" Mondale, the challenger from the Democratic corner. A recent survey among seniors revealed some interesting things about this first debate and their reactions to it.

A majority of the students polled, 75 percent, did watch the Reagan-Mondale debate that was on television Sunday night.

Mondale was the winner of the debate, in the students' views. Most students, even those who support

Reagan, felt that Mondale was better composed and addressed the issues more directly. A large number of seniors felt that the president "seemed too nervous" during the debate.

The debate would have about a 50-50 chance of influencing these seniors to vote. There was an even split on the question of whether or not the debate would affect the voter's opinion. Finally, President Reagan was the landslide victor in the popularity category. If the election was to be held today, 70 percent would vote for Reagan, as compared with an even 50 percent for Mondale.

As many of us prepare to walk out of the doors of AHS for the last time in our high school career, and as others anticipate this time, we all look back on what we have accomplished in the past years. Those years are full of memories, yet some of us think bitterly that we have left nothing behind to be remembered by. This is wrong. We have all left a mark on someone's life during these years. It may have been a teacher, secretary, cafeteria worker, coach, friend or an underclassman. We are all a vital part of AHS and without us as the student body this school could not succeed.

For upcoming classes a word of advice, be involved in everything you can. Put forth your best effort to make the school a success, it will be well worth the time and effort. For those of us graduating from this stage of our lives, we did well. We should be proud of ourselves and never forget that we did leave our own individual marks on AHS.

Hopefully this book has shown you your mark on our school during the 1984-85 year. I hope you enjoy it and treasure it, for with the help of the staff, this is one of my marks on AHS.

Your Editor,  
Leigh Anne Pounds
