# Graduation 2006

"By the grace of God, we are finished" -Audrey Dellinger

## Our class motto

Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness that most frightens us.

Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We were all meant to shine as children do. It is not just in some of us, it is in EVERYONE, and as we let our light shine, we unconsciously give other people permission to do the same as we are liberated from our own fear. Our presence automatically liberates others. - from the movie. Coach Carter

### District Advisor of the Year

Debbie White, the AHS STUCO sponsor, was awarded as the District 19 Adviser of the Year. She has put in a lot of work to help the school and community be a better place. Her guidance in the student council has helped develop the leaders of tomorrow.

Student Council hosts several activities and projects throughout the year. One of the projects was a paper airplane contest. People made paper airplanes and whoever's flew the farthest won.

### What Stuco Does

Student Council is made up of the leaders of the school. They are actively involved in community services and projects. During the aftermath of Hurricane Katrina and Rita, AHS Stuco worked with the community to raise money and feed the evacuees. Also, they worked to ensure that the school stayed clean by periodically picking up trash in the afternoons. They hosted a blood drive to help replenish dwindling supplies. Stuco went to state competition and won an award for one of the top ten projects in the state of Texas.

The TASC (Texas Association of Student Councils) conference was a learning experience for the Student Council. While having plenty of fun, they learned what they could do to make a school and community a better place.

"Character is like a tree and reputation is like its shadow. The shadow is what we think of it; the tree is the real thing." - Abe Lincoln.

## The NHS Emblem

The NHS emblem is a torch surrounded by the letters C S L S. The letters stand for Character, Scholarship, Leadership, and Service, the four principles of the organization. The torch stands for the purpose to lead so that other people may follow. Only members of the society are allowed to wear this emblem.

## The School's Leading Characteristics

Students in NHS are selected by a teacher committee who review each recommendation from teacher surveys and from academic accomplishments. It is considered an honor to be a part in NHS because the program commends the leaders of the school. The Atlanta Chapter is lead by Mrs. Lu Christensen.

A son is someone to count on. He can be a wonderful friend. He's someone who lovingly helps you and gives from his heart without end.

A son is one you're so close to, he knows how you're feeling inside. He makes your together times happy. His accomplishments fill you with pride.

He shows the concern and the interest that you're so appreciative of. A son is someone to count on. A son is someone to love.

Thank you for the wonderful memories that you have made for us to enjoy and share. Thanks for always being there- so often, so willingly, so lovingly. Thanks for being You! Continue to seek God's will in your life and He shall direct all paths! Remember you are chosen!

We love you "Kyle" and so very proud of you!

Take Time

To pray...it is the greatest power on earth  
To love...it is a GOD given privilege  
To give...it is too short a day to be selfish  
To do charity...it is the key to heaven  
To think...it is the source of power  
To play...it is the secret of youth  
To read...it is the fountain of wisdom  
To be friendly...it is the road to happiness  
To laugh...it is music for the soul  
To work...it is the price of success

Jordan,

We love you and are very proud of you!!!!

Every ending brings a new beginning that will open doors to a new world of adventures and opportunities. Always follow what you know in your heart is right and never let anyone lead you astray.

## Drew Fitts

Drew...

Time has flown these 18 years  
When we stop and think about it, we're brought to tears...  
It seems like yesterday you were just a boy...  
And dinosaurs and Star Wars were your favorite toys...  
You're graduating this year and leaving the nest...  
The memories you leave us are truly the best!  
We've loved to watch you run your own race...  
And no matter what, you've kept a smile on your face!  
You are destined for greatness-you hold the key...  
Success is yours and the world will see!  
Chase your dreams...for NOTHING you lack!  
High school is but a fleeting day...  
The things that seemed important will have faded away.  
The character YOU possess runs deep in your heart,  
It is the character of the MAN that sets you apart.  
Life might deal you some difficult licks...  
Drew Fitts, you're the BEST in the class of 06.  
We love you Drew-and the world will see,  
You've grown into the man we hoped you would be!

Love, Mom and Dad

young man you've become.

## Coming Together

The 2005-2006 Maroon Yearbook was designed and produced by the Atlanta High School, 705 Rabbit Blvd., Atlanta, TX, 75551. The book was printed by Jostens in Topeka, KS. The Jostens representatives were Rikki and Vance Bolding. The book was an online design using Jostens Yearbook Avenue. The book was sold for \$40. Jostens Photography provided the individual portraits. Groups portraits were provided by Jostens Photography, Sterling Images, Lifetouch, and Citizens' Journal. A special thanks to Citizens' Journal for providing the staff with an abundant amount of sports photos. The yearbook would not have been the same without them. The Maroon yearbook adviser was Amy L. Kemp. Editor-in-Chief-Shamekia Horsley; Student Life Editor-Chatigny Greene; Sports Editor-Denisha King; Section Assistants-Chris Berry, Casey Carroll, Victoria Cupp, Emily Hope Francis, Sonya Garrison, Rebekah Lindsey, Ashton Puckett, and Candace Rushing.

While taking a break at a yearbook workshop, the staff discussed different possibilities for the theme of this yearbook. "Coming Together" just made sense. Whether it was the community and schools coming together to help out the evacuees of Hurricane Rita and Katrina or the band coming together for prayer right before they take the field for the halftime performance or friends helping out a fellow classmate in need, Atlanta has come together as a community and as a school to help make a difference.
