# FOREWORD

As the 1965-66 school year draws to a close, there are many things that each student holds as a dear memory of Linden-Kildare High School. Things have not always been as you wanted them to be, but all things have many times worked together for the good.

Now as you go your separate ways, not knowing if happiness or sorrow will cross your path, hold the thoughts of your days spent in L-K High as the happiest of your life. The staff has tried to capture and keep some of the many happy memories of this past year. Several years from now, turn through these pages which contain the best of students and adults and simply say, "Thanks for the memory."

# ALMA MATER

L-K High stands on a hill for the world to see.

She'll be there for many years to cheer and comfort me.

Alma Mater, we adore thee, honor to thee pay.

We'll be true and loyal children to thee always.

BECAUSE YOU DEDICATED YOUR ALL TO US,  
WE GIVE YOU OUR GRATITUDE

It is an honor to pay tribute to one who has become such a genuine part of L-K High School.

Her interest in her students and her eagerness to help them have endeared her to all who have come under her influence. She has stimulated interest in the fields of English and speech and greatly improved these departments by being an inspiration to faculty and students alike.

She shows respect and concern for students not only by sponsoring the student council, the forensic society, and the pep club but also by her everyday dealings with them.

For many years the residents of our community have appreciated her active participation in educational, civic, and religious affairs.

Because of her devotion to her work in developing the minds and characters of her students, we proudly dedicate the 1966 Tiger Tracks to Mrs. Opal Robinson.

# SUPERINTENDENT'S MESSAGE

Mr. A. J. Halbrook

The 1966 annual staff has accomplished an outstanding work in the present educational program of Linden-Kildare High School. You have caught with your camera and pen many activities of the student body in action. Your ability to evaluate these activities in relationship to the interest of the student body excels all former publications of Tiger Tracks. The faculty and student body are indebted to you and your very able sponsor for another achievement worthy of your dedication to the task you so willingly accepted. I am confident that your dedication to serve others in the future will be just as sincere and to as great a degree as your dedication to your present assignment has been.

Yours very sincerely,

A handwritten signature in cursive that reads "A. J. Halbrook". The signature is written in dark ink on a light-colored background.

## "THE BIG SOUND"

The date, July 31, will long be remembered by the members of "The Big Sound." That was the morning when, at 2:30 A. M., the whole group assembled to begin an eight-day journey through thirteen states and the District of Columbia.

The band made eight appearances during that time, and holds many happy memories of their unusual trip as the Texas Representative to the New York World's Fair.

The book is finished and the year draws to a close. Ahead lies graduation, summer vacation, summer jobs, and for many the plans and preparation for higher learning and a college education. The '66 TIGER TRACKS Staff has sought to build a book which would in a special way reflect Linden-Kildare 1965-66. As the halls grow dim and the classrooms quiet, we hope this book will bring back the memories of this year and hold this living school forever in your memory.
