The school board has dedicated many hours to the concept of providing the best educational opportunities for each and every student. They are concerned with improving their school system and working for progress. We appreciate their work this year as in the past years.

Principals play a very important role in our school system. They have an endless list of duties they must perform throughout the years, including organizing and supervising activities, and keeping order in the schools. Along with these duties, principals are there to offer guidance and help to students and faculty. We appreciate their work and support.

The seven L-K students that attended the 1983-84 Boys State not only learned the value of being an American, but also of the American election system. They held mock elections on the city, county, and state levels. This year's Boys State was the biggest ever, with 954 students from all over Texas.

Marketing and Distributive Education is an occupational training program offered for eligible sophomore, junior, and senior students who desire training in the field of marketing and distribution — the retail, wholesale, and service selling occupations. It consists of the high school pre-employment program and the high school cooperative program, which combines approved on-the-job work experience with related classroom study.

Support of the Marketing and Distributive Education program by the business community in Linden-Kildare CISD has had a tremendous impact on the success of the program. Through the combined efforts between school and business, many students have benefited from the Marketing and Distributive Education program at Linden-Kildare High School.

THE PRIDE OF L-K

The fighting Tigers of L-K were picked an uncharacteristic fifth in the 14-AAA during the 1983-84 football season, but nobody told the L-K coaches and players that. The Tigers, having the most returning seniors since 1971 with 17, were very optimistic about their upcoming season. The poll, made by different rating services, took the number of returning lettermen to help them decide a team's district standings. The poll, usually fairly accurate, forgot to take in account the will to win of the Tigers as they surprised everyone with an outstanding season.

BEING A TIGER IS SOMETHING SPECIAL

The 1983-84 Tigers after the first district game, were at a mark of 1-2-1, beating Pittsburg, losing to Daingerfield, and tying their arch rival Atlanta. But the Tigers had had enough and came out smoking, winning their six remaining district clashes. Their most important game was against New Boston. The winner of this game would advance in the state playoffs, the loser would read about it in their local newspaper. The Tigers had a great first half scoring twenty-one points, but struggled in the second half, only scoring once. The stingy Tiger defense, led by their seniors, held the Lions to a mere touchdown and demolished the Lions 27-8. With this win, the Tigers were in the state playoffs and would meet Pittsburg in a bi-district game on L-K's home field.

In the tight 1983 district race, the Lady Tigers were narrowly squeezed from state play-offs by a determined Daingerfield team, although the girls posted a better district record (7-3) than last year's play-off team. Impressive, though, were their second place finishes in all three tournament entries. This year's team was marked by togetherness throughout the season. Strong Senior leadership from Antrice Moody, Lori Haskins, Sherry Whitmore, Barbara Littlejohn and Shirley Allen upheld the tradition of winning volleyball at Linenn-Kildare.

Junior setter, Dawn Law back sets for Senior Lori Haskins in North Lamar match at the L-K tournament.

Even though the Lady Tigers didn't have a great season, they worked really hard to win as many games as possible. The Tigers started the season playing a strong defensive game against Mt. Vernon in the L-K Tourney. During this game the tigers played man-to-man, zone, and all the plays that could possibly be called and beat the Mt. Vernon Tigers by 1 point.

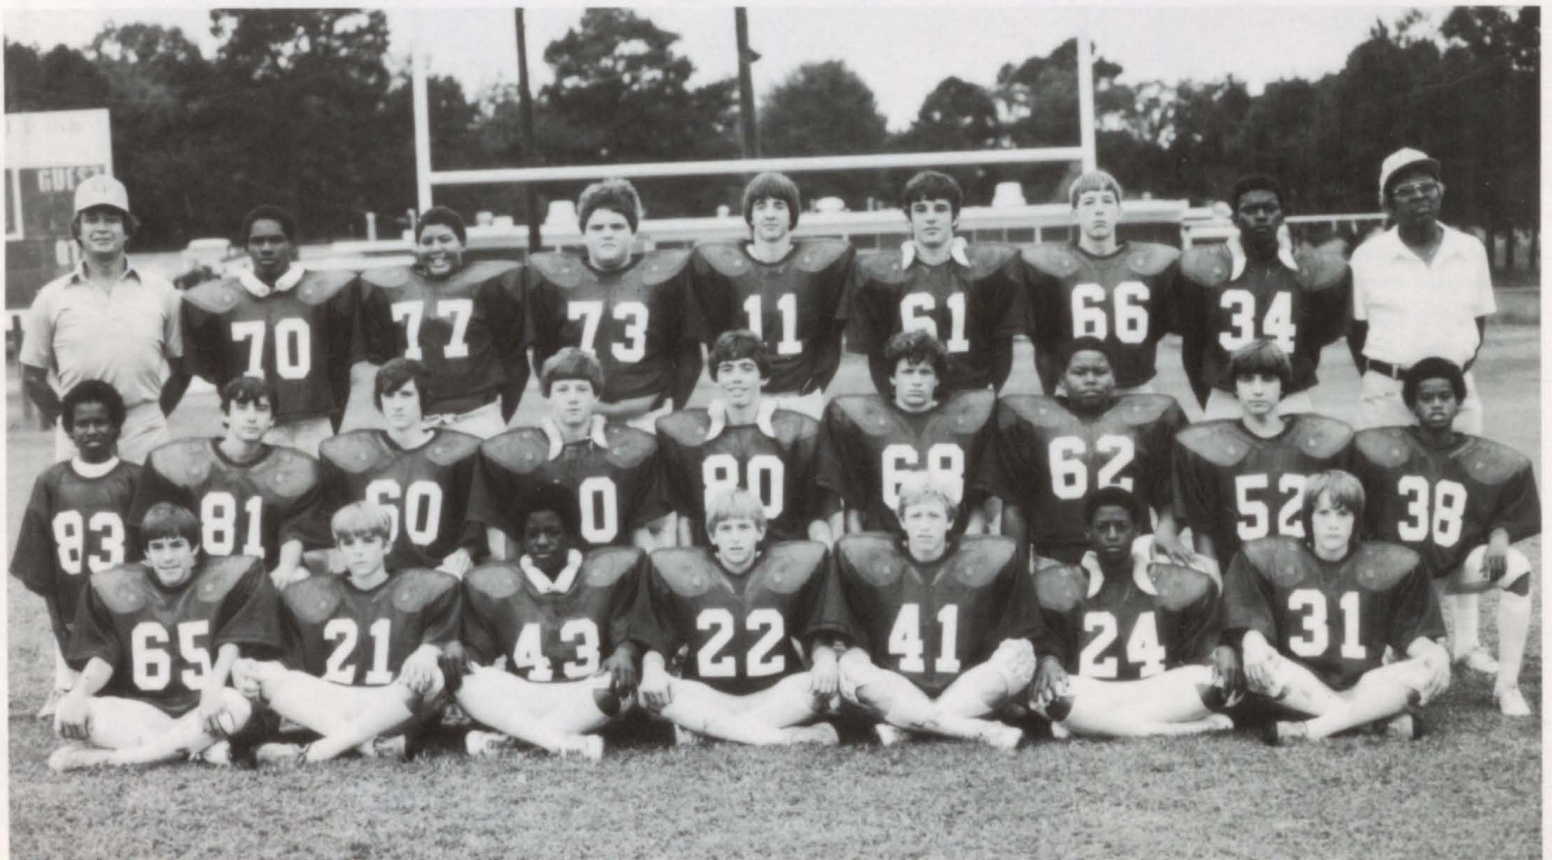

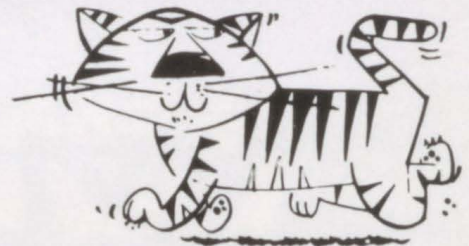

Not everyone was able to receive an award for playing a perfect game, but one lady Tiger Antrice Moody was given an All-Tourney trophy. The Lady Tigers hope to return next year with a stronger and better team and a lot more winnings.

Coach Norwood's 9th Graders Gain Experience

The Linden-Kildare junior Tigers had a disappointing year having only won two football games. Coach Bill Norwood, a first year coach, was optimistic at the beginning of the year, but the young Tigers didn't fulfill his predictions. The Tigers always seemed to be in the game, but couldn't hold to win. Knowing they were out of the district race, the team went to Paul Pewitt for their last game. Their spirit prevailed and they won against a very tough Brahma defense.

Football Banquet is Reinstated

For the first time in many years L-K reinstated its football banquet. After dinner, the cheerleaders, coaches and players were introduced. Many of the seniors were recognized for their leadership and athletic ability. From there head coach Carl Preston presented numerous awards along with the Linden Lions Club. The banquet was a huge success and will be around for a long time.

Now we come to the end of another year in our lives. This book will serve as a memory of "Times Gone By." There are many people who I would like to thank for contributing their time in helping produce this book. I would like to thank Mrs. Lelia Surratt, our yearbook advisor, for her patience and guidance throughout the year; Mr. Hetherington for his support and the faculty for allowing us extra time to work on the annual. I would also like to thank Ed McMeans, our representative from Taylor Publishing Company, the Cass County Sun, and the Citizen's Journal.

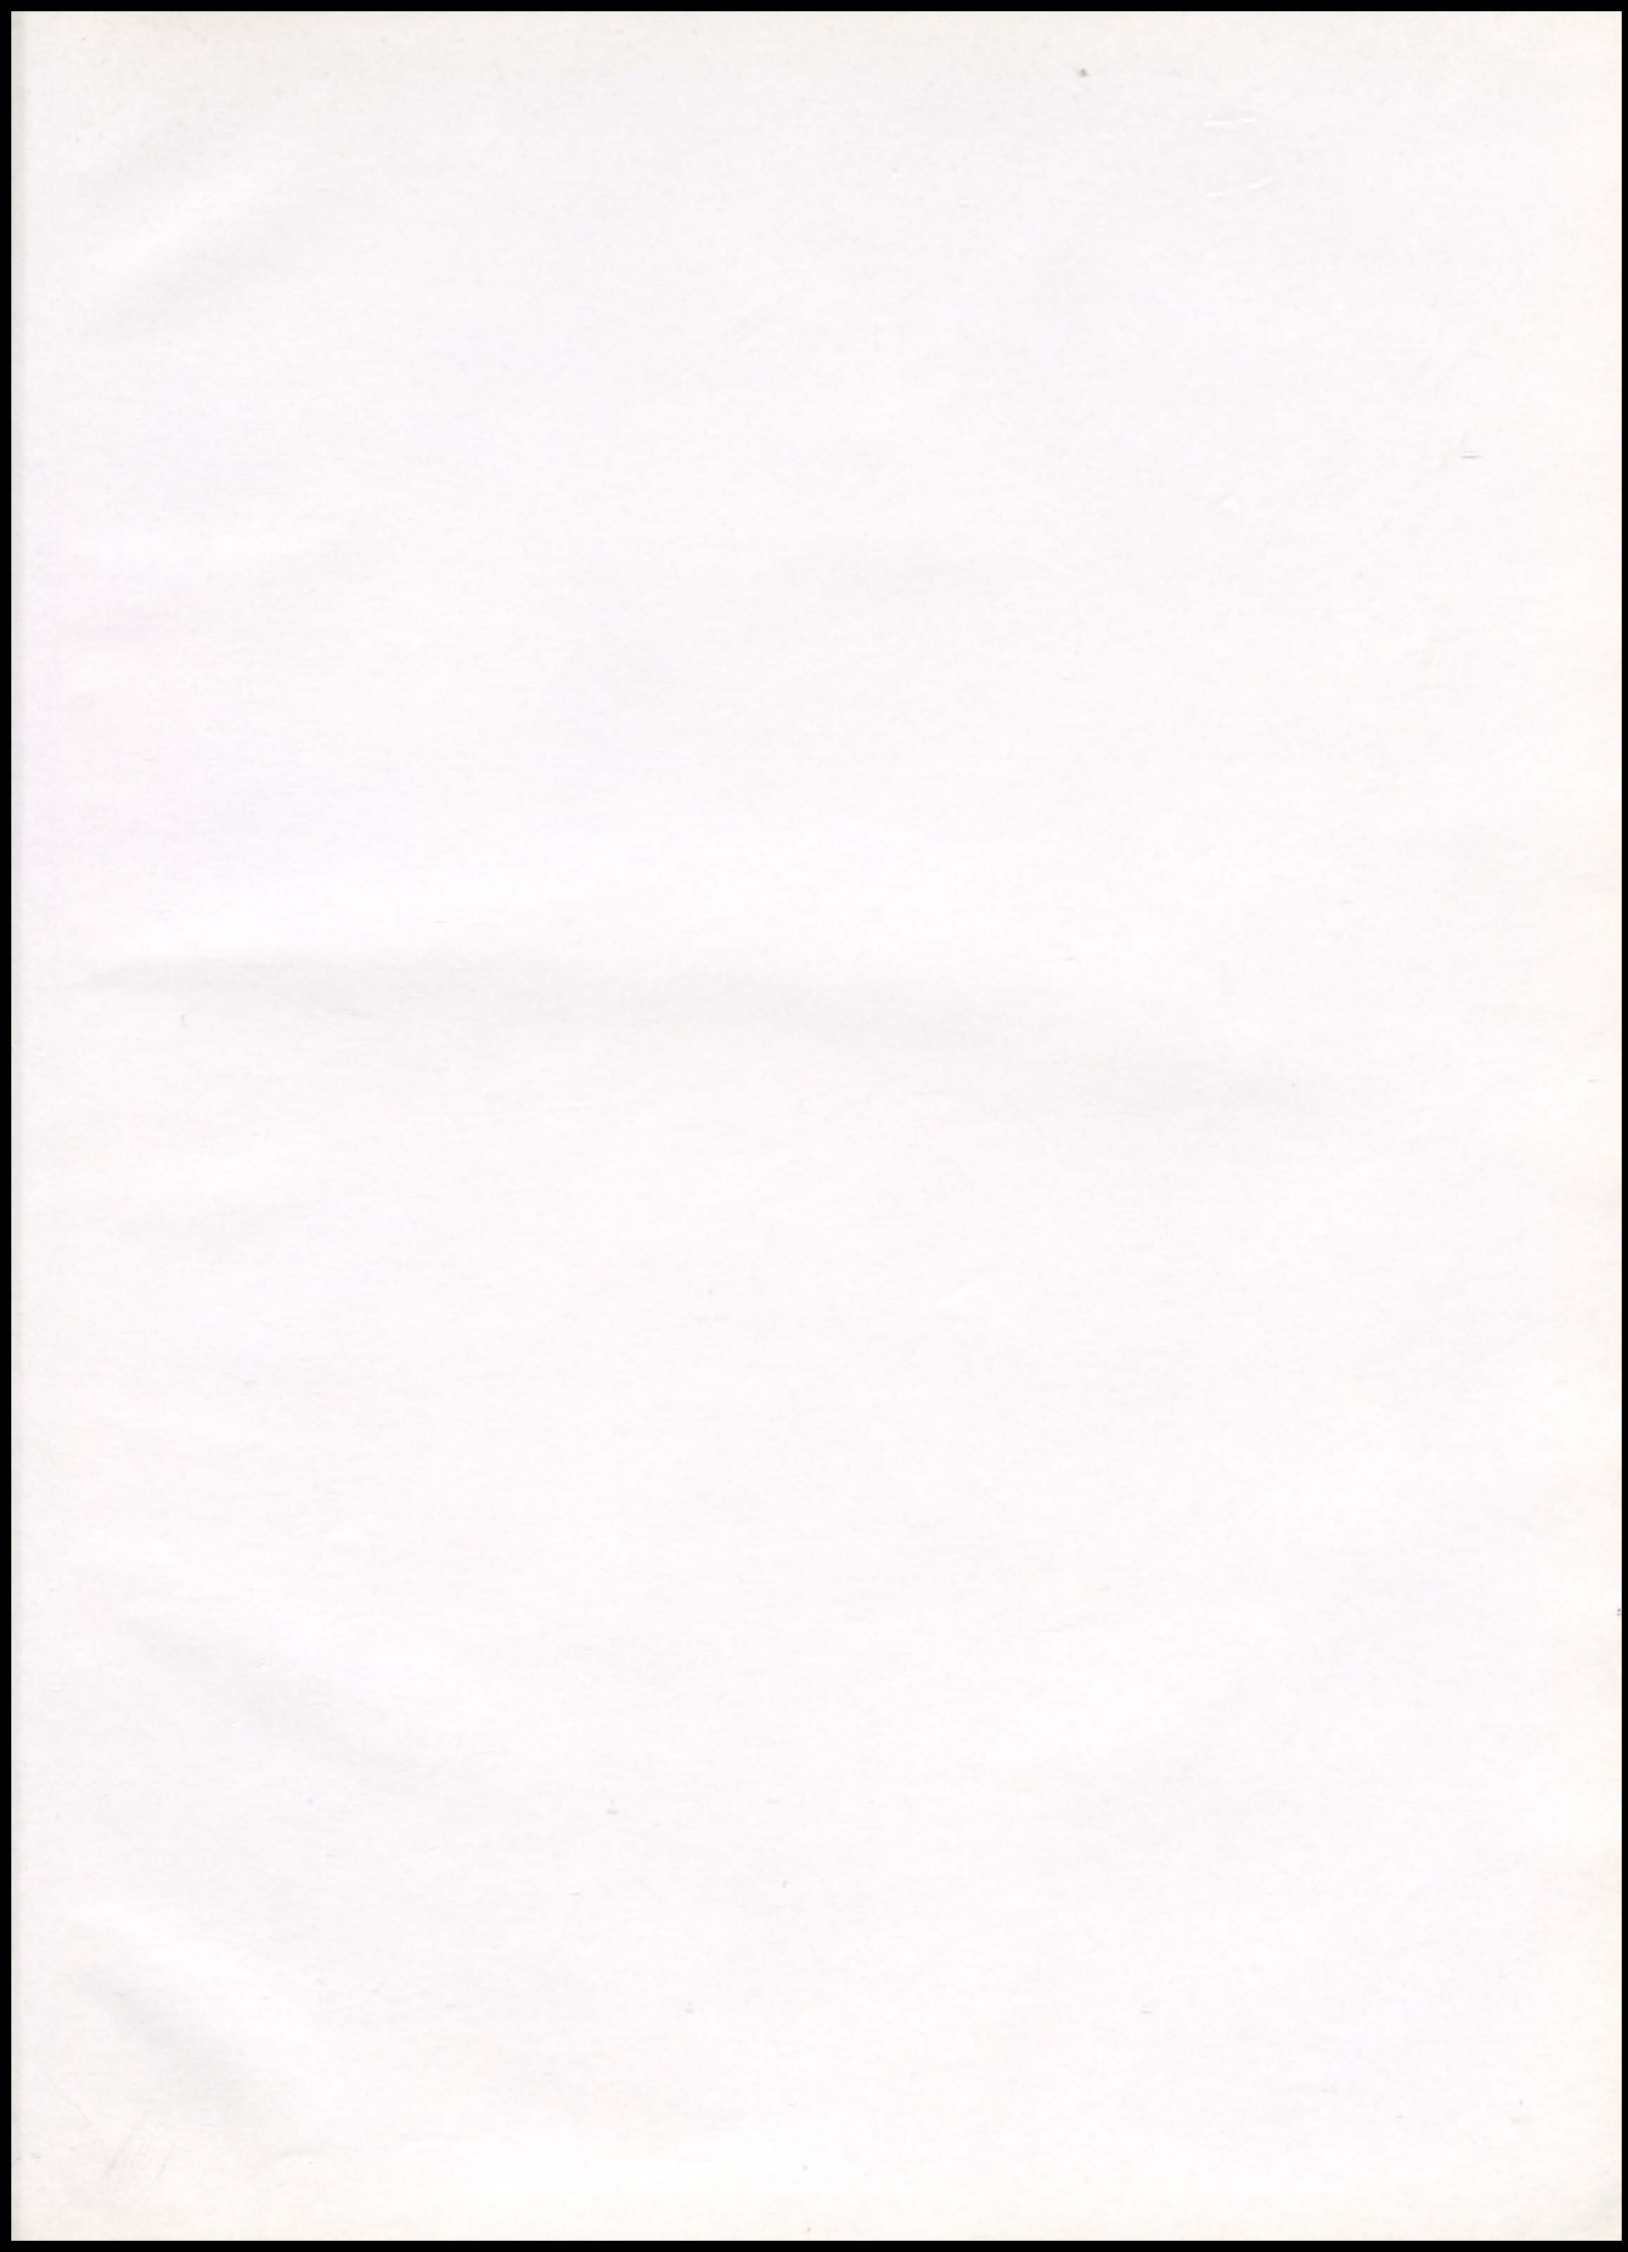

Many hours of hard work were put into this annual in hopes of capturing the happy memories of the past year. A special thanks goes to the Staff members who worked those many hours. I hope our work was worthwhile to the readers and they are as proud of this book as we are, the 1983-1984 Tiger Tracks Staff.
