HOMECOMING IS A MOMENT OF EXCITEMENT

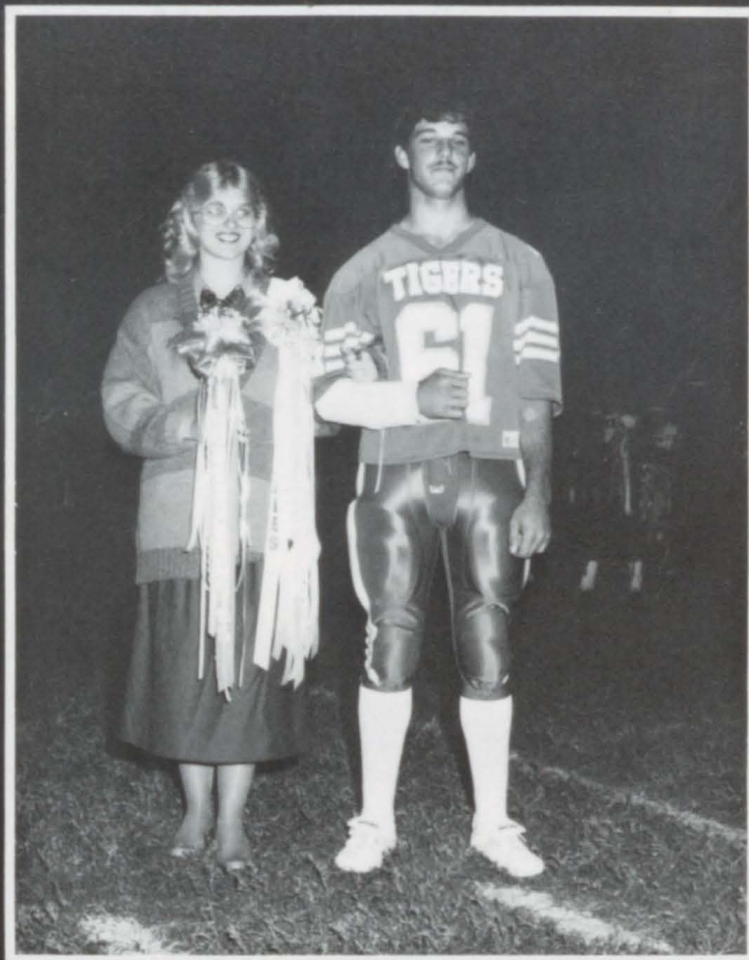

"A Time for Us" was on October 25, 1985, when we were preparing for the homecoming festivities. As we bustled around our homes getting dressed, the thought of being chosen lingered in our minds. Once we were in our cars being driven around the track, our nerves started to settle. Then the band started playing "A Time for Us" and we started our walk across the field, the whole time we were thinking, "what if I win, how will I kiss my escort without being totally embarrassed". The moment came and Lydia was announced as the 1985 Homecoming Queen.

The following is Lydia's description of the night. "The night I was crowned Homecoming Queen was the happiest night of my life. The anticipation and nervousness that I felt as I was being driven around the track was something that I had never felt before. As we got out of the cars and walked on the field to meet our escorts, I couldn't help but think 'who will win it?' As I stood at my place on the field and my name was announced as Homecoming Queen, October 25, 1985, became the most important night of my life!"

CONTEST WINNERS

Football-District band consists of band members from all bands in our district. Our members are Bobby H., Carl A., Wesley E., Jody D., Sharee T., Darrell R., Marc B., Steven H., and Collin A. Football-District and all-District prepared music for judges and sight-read a piece selected by the judge. All-District members include Bobby H. and Collin A. Four-States Honor Band students are selected by a committee of band directors. These students are selected from Texas, Louisiana, Arkansas, and Oklahoma. Darrell R., and Marc B. represented our school in this honor band.

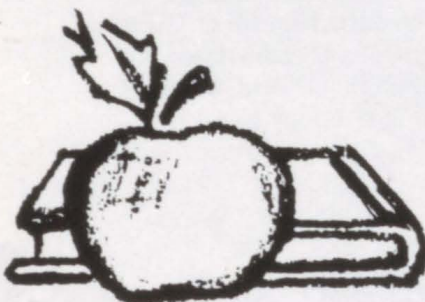

ORGANIZATIONS PROMOTE UNITY

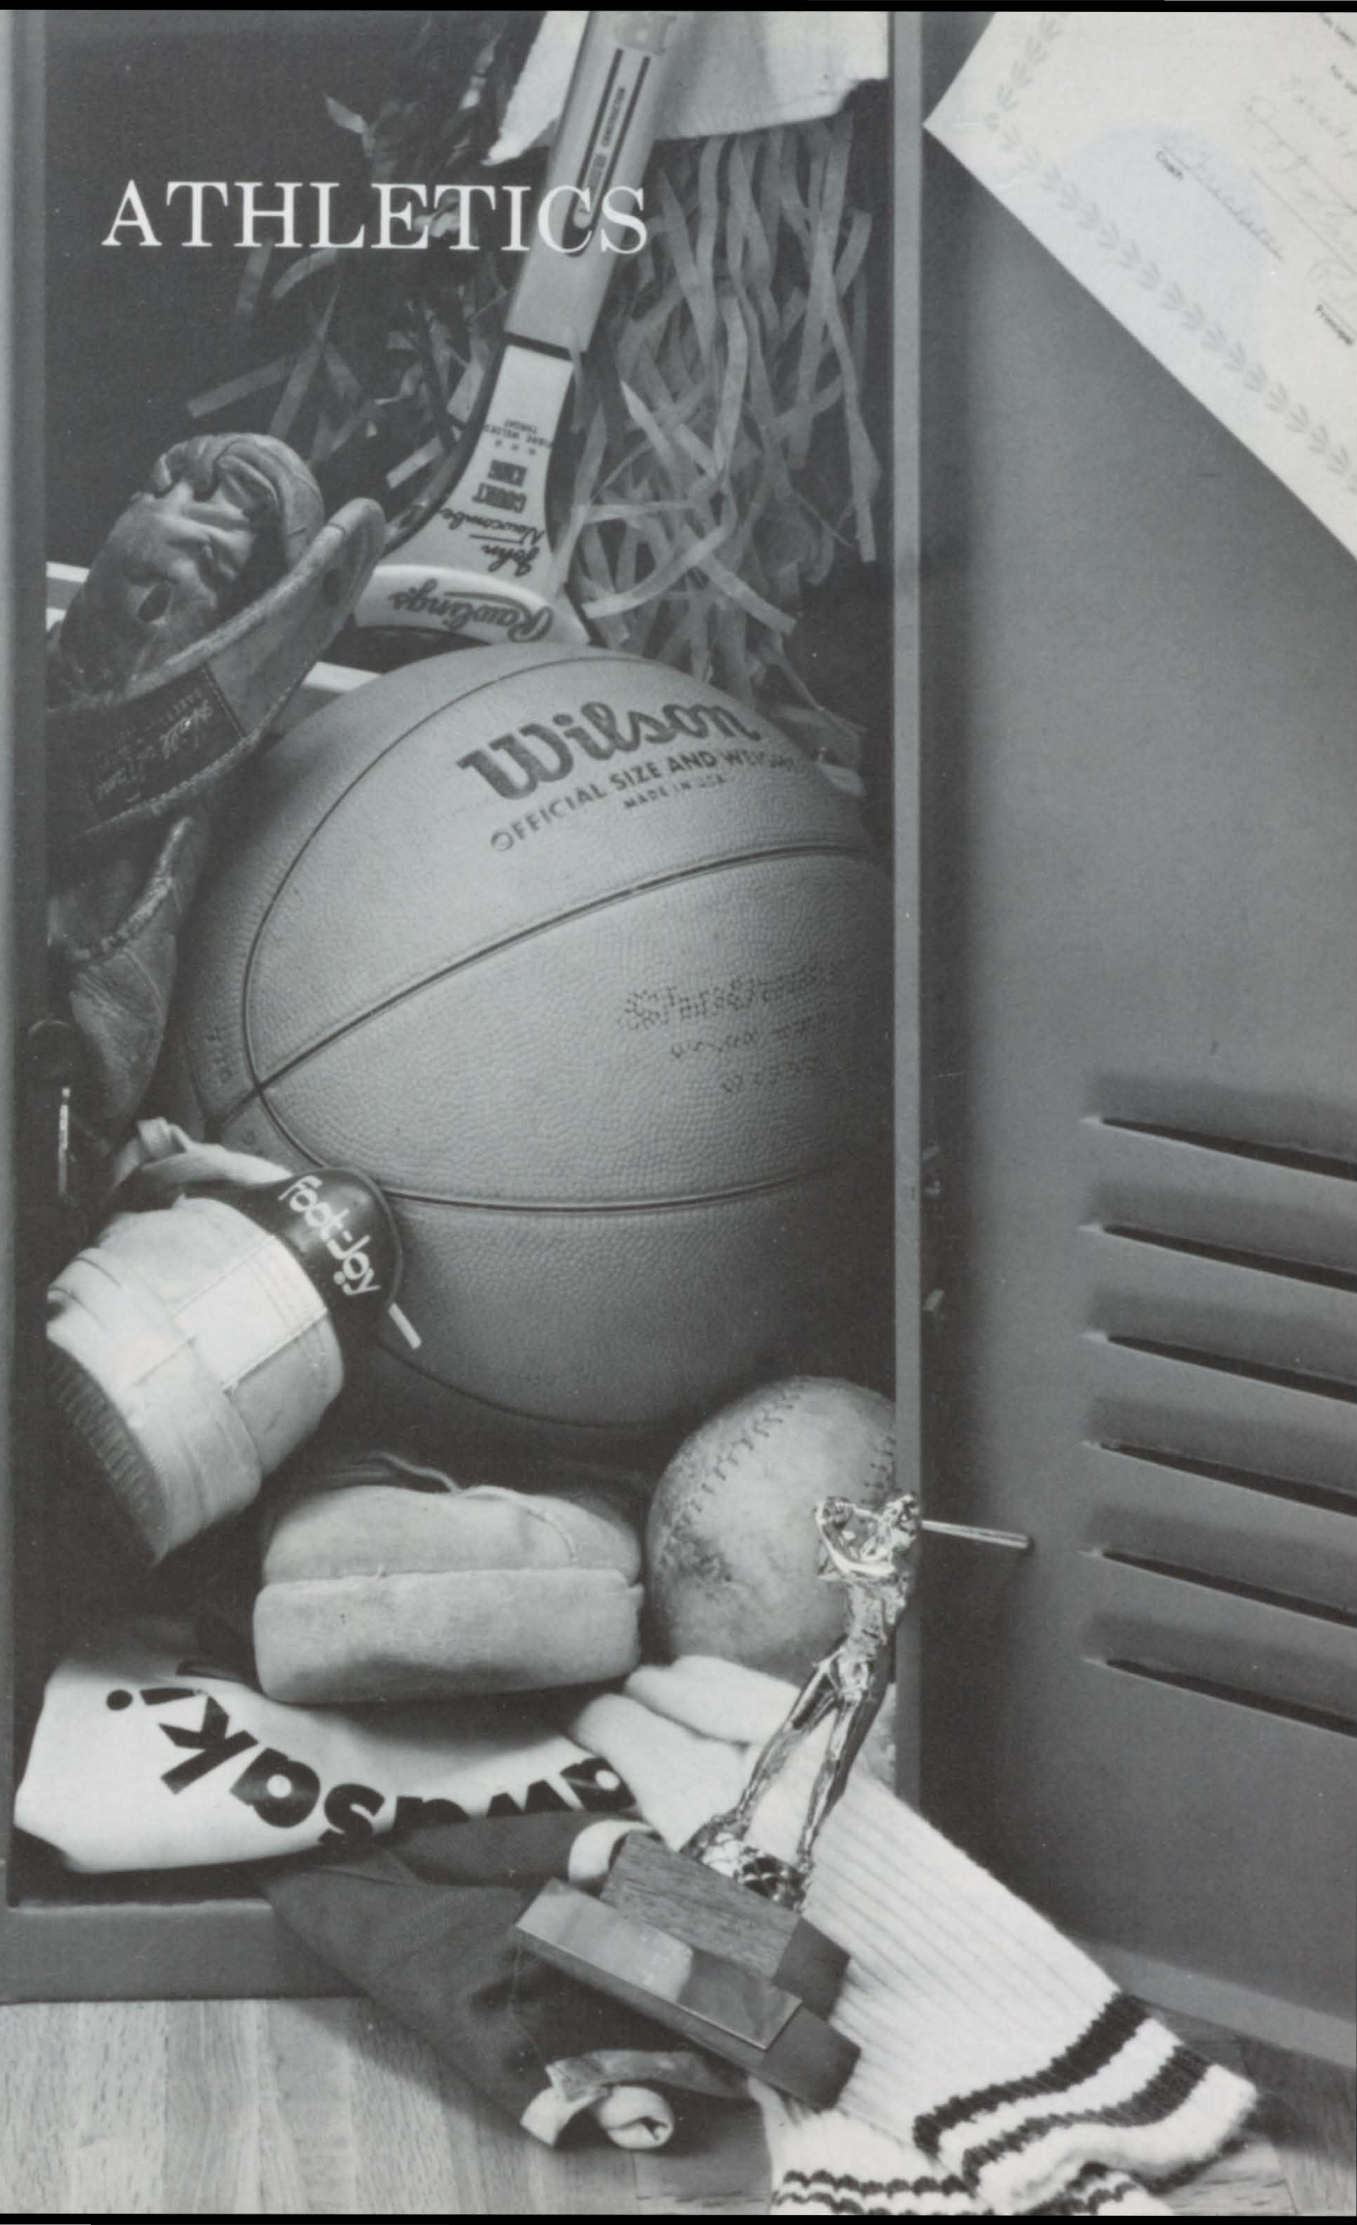

Cherri C. and Lydia E. dressed as "Shirt-Tales" teach elementary students the importance of nutrition and exercise. Collin A., Marc B., Jami S. and Steven H. donate summer vacation time in order to have that "Roaring Band from Tigerland." The Student Council, with the encouragement of their sponsor Mr. Love, held a blood drive. Pictured are some of the very brave donors. The Library Club members enable students to come in during lunch to read or study. In this particular picture Julie B., Cindy T., Jami S., Tia S. and Michelle N. discuss prom dresses they find in magazines. Susie F. and Traci P. decorate the Christmas Tree that the Student Council sponsors. James G., Darren W., and Robert L. get fruit and turkeys ready for delivery.

For a school our size we have numerous organizations which enable our students to broaden their sense of responsibility and to gain knowledge. The students do not receive classroom credit for being in these organizations, but devote numerous hours of their own time in order to make school not only a learning experience but a fun place in which to create cherished memories.

The captains this year were seniors Marty Pate, Scott Surratt, and Blewis Lawson. These seniors had to be great leaders for a young team. The varisty team consisted mainly of sophomores. BEST CITIZENS

As a sophomore Lisa Smith was a reporter for the Tiger Talk and a member of D.E.C.A. during her junior year, Lisa served as secretary-treasurer of the French Club, reporter of Tiger Talk, photographer of the Tiger Tracks, and a Representative of the Student Council. This past year she was a member of the Library Club, the Student Council, the Tiger Talk, and the newly organized Speech and Drama Club. Lisa also devotes numerous hours visiting the elderly at the nursing home.

Darrell Rhyne has been an active band member for the past six years. Darrell served as band president his senior year. He was a member of the All-District band for three years. Darrell has been a member of the Science Club for four years, the Student Council three years, the French Club one year, the Tiger Talk one year, the president of the Speech and Drama Club his senior year. He has been on the National Honor Society three years and was vice-president his senior year. Darrell has been a photographer two years for the Tiger Tracks. Darrell was selected Who's Who in High School Students and is a two year member of the Society of Distinguished American High School Students. Darrell has attended Boys State and UIL Literary Contests. It is no wonder why Darrell was selected Who's Who in High School Students and is a two year member of the Society of Distinguished American High School Students. Darrell has attended Boys State and UIL Literary Contests. It is no wonder why Darrell was selected by his classmates as the "Most Likely to Succeed" his senior year.

Every year the faculty at Linden-Kildare High School selects a senior girl and a senior boy as Best Citizens. It is an honor based on the student's dependability, patriotism, leadership, and loyalty. Both Lisa Smith and Darrell Rhyne exhibit these outstanding qualities with pride and honor.

LIFE AT ELEMENTARY

Our experiences in elementary school help mold our lives for years to come. The first experience we have is realizing we are unique individuals with a great ability to learn. We also learn that our teachers love us and truly want us to learn. Not only do they teach us academic subjects, they teach us how to share and love one another. Even if we stumble along the way, we know we have teachers, parents, and friends to urge us on to brighter days. Our experiences at elementary will never be forgotten.
