Longhorn Staff

"When we push forward individually to prepare for the time when the future becomes the past, the dream becomes a reality; a life imagined becomes a life lived."

We tend to pause to remember the good times before moving on. Then when McLeod High is far behind us, we want something to help bring back those precious memories. So the annual staff hopes the 1975 LONGHORN will help in some small way.

We wish to express our thanks and gratitude to Mrs. J. B. McLeod for the use of her beautiful home as a background for the pictures of our school favorites. We also appreciate the helpfulness and guidance of our sponsor, Mrs. Doris Beaver.
