# In Memory of

DAMON THOMAS

Damon Thomas, son of Mr. and Mrs. David J. Thomas, was born on November 15, 1955, and was killed on July 27, 1974, in a one car accident at Wright Patman Dam.

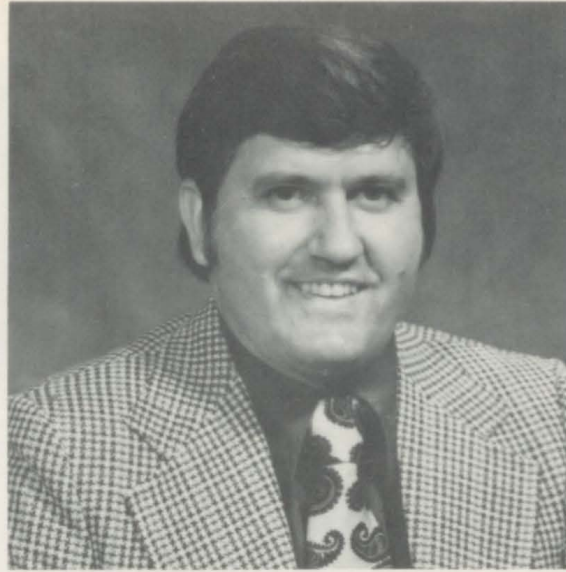

"So live, that when thy summon  
comes to join  
The innumerable caravan, which moves  
To that mysterious realm, where each  
shall take  
His chamber in the silent halls of death,  
Thou go not, like the quarry slave at  
night,  
Scourged to his dungeon, but sustained  
and soothed  
By an unfaltering trust, approach thy  
grave,  
Like one who wraps the drapery of his  
couch  
Above him, and lies down to  
pleasant dreams."

William Cullen Bryant

## THESIS

By William W. Debolt

Death is not a period  
bringing the sentence of life to a close  
like the spilling of a moment  
or the dissolution of an hour.  
Death is a useful comma  
which punctuates, and labors to convince  
of more to follow.

SUPT. RICHARD WOODS

#### A MESSAGE TO THE STUDENTS OF QUEEN CITY

At the outset of this message I would like to pay tribute to the students of Queen City. Thank goodness the majority of our students are respectful and motivated to do what is necessary to make ours a successful school system. Your attitudes and endeavors have helped to make this year one of the most enjoyable years that I have had in public school education.

To you, let me say these few words. Strive with all your might to become what you are potentially capable of becoming. The most important phase of motivation for an individual is to strive for self-actualization. Your inner-self will never be satisfied unless you make a valiant attempt to do the best you can. Unfortunately many people today lead their lives the way they watch television - even though the program isn't as good as they would like it, they are too lazy to get up and change it. Don't be apathetic about your life. Get involved and turn your channel to the one that will bring you satisfaction and happiness.

*Richard Wood*
