I was proud of this year's football team. After the heartbreaking loss to Rivercrest, the Bulldogs proved they were winners by winning the remainder of the games on our schedule.

This year's team will be remembered as having perhaps the best defense of any Queen City football team. They allowed only 35 points the entire season.

The coaches feel that every member gave his best to keep football strong at Queen City.

## Tennis Team

*1978-79 Boys Varsity Basketball*

The Queen City High Basketball team captured its second consecutive district championship.

The Bulldogs were tied with Ore City at the end of the regular season with identical 10-2 district records. A play-off was necessary to determine a district champion. The Bulldogs defeated Ore City 53-50 to earn the right to advance to the state play-offs.

Sabine, the number one team in the state, defeated the Bulldogs 49-42 to end their season.

I feel the reason we were able to repeat as district champions was because we had several young players develop and because of the fine leadership of our Seniors.

We have set as our goal next year to win our third consecutive district championship and to advance to the Regional Tournament. We have several talented players returning and a good group of Junior Varsity players coming up. I feel that this blend of experience and youth will enable us to reach our goal. — Tommy Brown
