Football 1981

The 1981 Football season was a losing season for the young, inexperienced Bulldogs. But many good things came from this team. The season began by the Bulldogs winning their three nonconference games, and then losing their seven district games. During the district schedule this year most of the games were not decided before the fourth quarter. The young men fought hard and did not quit during the season. We had several players gain the respect of opponents and were rewarded for their efforts at the end of the season by being voted to the All-District teams.

Buck Buchanan,
Head Coach

The team worked more than People knew.

SUPERBOWL XVI San Francisco 49ers' 26 Cincinnati Bengals 21

Eighty thousand fans attended SuperBowl 16 to watch the two "Cinderella" teams (teams in the SuperBowl for the first time) battle it out. The average fan spent \$40 for a ticket, \$1.10 for a hot dog, \$1.50 for nachos, \$5-\$10 for parking, \$8.95 for a knit cap and \$2 for a poster, making a sum total of about \$7 million profit for the Bengals' and the Forty-Niners' owners.

We do it all for you

With the realization of responsibility comes the desire to be the best. A theme is conceived, becoming the basis of the entire toil. Brainstorming proves to be the best method of getting ideas that survive. Hard work begins only after the conception of workable ideas. The production of a yearbook is constituted by the vague thoughts that are nurtured into 224 pages, all reflecting the events of one year.

The Bulldog is put out by a 12-member staff of devoted hardworkers. Along with extended book sales, ad sales backed the effort financially.

Each of the pages required a detailed layout, distinctive of the theme's format. Composed words, developed pictures, and styled layouts merge together creating the personality of each individual page.

For the student body to accept the creation that 12 people have devoted an entire year to, is the most satisfying award of all. For the vague thoughts to turn into a completed work is most rewarding. Words, pictures, and layouts rolling together, creating something everyone, creators and receivers alike, can be proud of.

The Math Club at Queen City High was formed to generate interest in mathematics and math competition, as well as helping to fund the math team by purchasing equipment, such as calculators. The members also help in putting on the QCHS Math Meet.

The Math Club is the only local high school organization to award one or more of its graduating members with a scholarship.

The requirements for membership are a junior standing, good citizenship grades, passing average, and completion of Geometry or Algebra II or membership on the Math Team.

If you can read this statement without the aid of the translation then you are probably one of the twelve members of one of the smaller groups on campus — the Queen City High School Spanish Club. The Club gets together a couple of times a year to sample some of the Spanish-speaking countries' most popular culture — Mexican food! They not only enjoy a delicious meal, but they are also able to spend some time with a few friends who share at least a common and likeable interest — Spanish Club! Adios!

Bummer: A story of love and courage

Once upon a time there lived an Extremely lazy boy named Bummer. Bummer hated work, but he especially hated school.

Bummer had heard that the student council got to have parties, and get out of class. Bummer loved parties, but he especially loved getting out of class. So he decided to run for student council representative.

No one knew how, but Bummer won the election. "Oh goody!" said Bummer. "Now I'll have loads of fun."

Well, Bummer did have a lot of fun being in the student council. He also got caught up in planning activities and working with other students.

People began to notice a change in Bummer. He now actually made up his bed and turned in his homework. The next year Bummer was elected student council president.

Today Bummer is a brain surgeon in Beverly Hills. He is married and has 2.2 children. "Man, I owe it all to the QC Student Council," he says.

One Act Play

People

Just being a member of the One-Act Play cast and crew can be a fun and memorable experience, but this year that experience was made even better when it was announced that Queen City's "The Sisters McIntosh" was a first place winner at the district contest. Not only did the play receive outstanding recognition from the judge, but also the individual cast members were commended for their excellent performances. Benita Hathaway Griffin was chosen as District 14-AAA's Best Actress while cast members Billie Jo Wise and Jack Striplin were named to All-Star Cast and Honorable Mention All-Star Cast, respectively.

Although the play did not advance beyond the area contest held at Athens, Texas, all the members enjoyed performing together one last time.

Senior Luncheon

The Seniors had a luncheon following graduation practice Wednesday, May 19, at the Mason Jar Restaurant. They were served chicken fried steak, salad, baked potatoes, corn on the cob, tea, apple sticks and ice cream.

Video tapes of the Senior trip were shown, which provided several laughs for everyone at their last meal together before graduation.

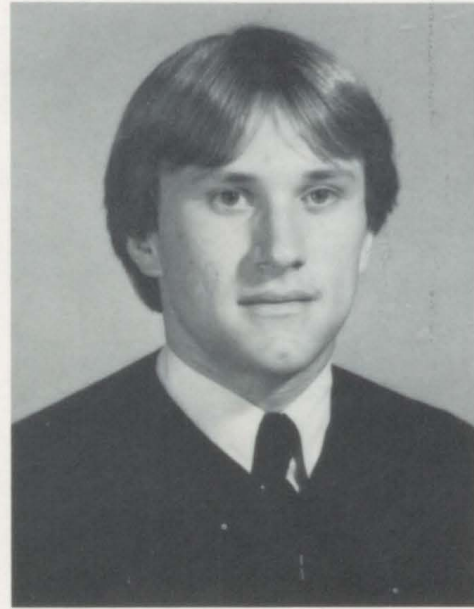

Quite a few of the local merchants got together and gave Bibles to each graduating Senior. These were presented at the luncheon.

Stop Sign.

It's a fact that more than 9 out of every 10 people looking for a home recognize the familiar brown and gold CENTURY 21[®] sign. It is so widely recognized that every day over 1,600 homes are sold by CENTURY 21 people from coast to coast. In 1979 alone, that resulted in a staggering 579,000 closings.

Wouldn't you rather list your house with the organization that more people have put their trust in?

Just call your CENTURY 21 Neighborhood Professional:

And let our stop

QCHS Side Gate Should Be Open

The QCHS side gate is sometimes kept locked during school hours. Then the students who live in this neighborhood and who walk to school have to walk a long way around or find someone to drive them around to the main gate.

This gate should always be opened when it is supposed to be. And someone should be appointed to make sure this is done.

According to Teal Lambert, director of special services, it is just a matter of forgetting, and if the gate is locked, he should be informed of it.

The gate is regularly scheduled to be opened at 6:30 a.m. During the day it is closed from 9 a.m. until 2 p.m., when it is reopened for students to walk home.

The students who use this gate are greatly inconvenienced when the gate is not opened, and this should not happen in the future.

DOGWASH

Exciting Summer

By KATE STOW

This summer I had the privilege of a most interesting experience—I had a summer job.

I know it doesn't sound exciting so far, but it wasn't an ordinary job. Not for a girl my age, anyway.

I was "maintenance engineer" at the State Theatre. It really wasn't so bad. Me alone inside that big, empty, dark, mysterious, terrifying theatre. I wasn't scared. Not one bit! Well, maybe a little.

Some people look at me a little funny when I say I'm a "maintenance engineer." But how many girls my age have had the experience of digging ditches, picking up trash, sweeping and mopping a whole theatre, cleaning urinals and getting paid for it?

Working at the theatre everyday was really interesting. For instance, I could tell where the big eaters sat because that's where most of the trash was.

The goat ropers were easiest to spot, especially after I kicked the cup over—the one filled with tobacco. When there were two cups sitting side by side, I knew a couple had sat there.

Even though I did have a free pass to the show and free popcorn, I never let myself enjoy it, I knew I'd just have to clean it the next day.

At first my boss didn't think I could handle it, being a girl and all, but I set out to prove her wrong.

I'm sure everyone will agree that "maintenance engineer" is a big responsibility—a job filled with experience (and money!).

By the way, "maintenance engineer" is a fancy word for—janitor!

Q.C. QUILT

In-School Newspaper Schedule

By ANITA REDDEN

Queen City Journalism classes will begin publishing an in-school newspaper later this month. The paper, to be published monthly, will be called the "Q. C. Quilt."

Students will be selling the papers starting Sept. 25 for 35 cents each.

The Quilt will contain in-depth news stories, cartoons, puzzles, sports stories, photos and ads.

The ads will be sold to area merchants later this month, and can be purchased at a discount by agreeing to advertise in all nine issues of the Quilt.

Ronald McCright, advertising manager, said, "We will appreciate the support and participation of local merchants in our ad campaign."

The papers will be printed by Bob Valenta, owner of Bob's Printing in Atlanta, and 500 copies will be sold.

"I feel as though the Quilt will be a great addition to Queen City. It will give the students and faculty something of their own—an in-school newspaper that not too many schools have," said Monica Polk, editor.

The members of the staff are Monica Polk, editor; Anita Redden, assistant editor; Billie Jo Wise, assistant editor; Ronald McCright, advertising manager; Joey Coleman, news editor; Rene Barrington, editorial editor; Kate Stow, photography editor; and Dean Merritt, business and circulation manager.

Also, Kippie Barnwell, Laura Buzbee, Belinda Easley, Dezi Epps, Jeff Griffin, Kevin Hill, Debra Jones, Donna Jones, Paula McGee and Autumn Smith, reporters.

Mascot Now Black

Changed From Orange

By RONALD McCRIGHT

The QC mascot is changing his image. He recently went from orange to black.

The plastic beast stands guard atop the sign in front of the high school.

He remained orange and white the first four years of his career at QC, but recently he was repainted black and white.

John Sirmans, QCHS counselor, is

the one who effected the change. He repainted the mascot over the summer.

Asked why he did the job, Sirmans replied, "Several people expressed that they would like it painted black."

In the past people had complained that the mascot looked more like a bull than a bulldog. Some say the black paint changed the image.

Russell Heldt, QC senior, commented, "I think it looks better than the orange cow did."

NASHVILLE

Band Plans Trip

By JOEY COLEMAN

A trip to Nashville tops the list of QCHS Band's "things to do this year."

The band members will leave for Nashville April 15. They will participate in a contest and leave the 18th.

The first of the year's regular activities includes the University Interscholastic League twirling contest Oct. 10 and the UIL marching contest Nov. 4 and 5 in Mt. Pleasant.

A few students, their parents and sponsors will take a trip to Delta State University in Cleveland, Miss., Oct. 17 to visit the campus and to see the Troy State University from Troy, Ala., and Delta State play football.

District and regional tryouts and

clinic dates have yet to be set. Four-state tryouts will be the second weekend in January.

UIL solo and ensemble contest and an invitational contest will be held sometime during February and March. And on March 3 and 4, the band will participate in the UIL concert and sight reading contest.

"When the year started, I said this band could be the best or the worst, with no in-between," said Director Jim McCutcheon, "and it seems this may be the best so far."

QC Drum Major Monica Polk added, "I think the band members care about what they are doing and they will put forth more effort."

Council Discusses Theme, Fund-Raising

By RENE BARRINGTON

The QCHS Executive Student Council discussed ideas for a theme for the school year during its meeting Monday.

McCright, council president, outlined the duties of each officer.

Fund-raising projects were also discussed.

Meetings were scheduled for the first and third Tuesday of each month during second period, and a third meeting after school.

New Teachers

They are the three new teachers for the 1981-82 school year.

Gail Faubus' first teaching job involves instructing health, physical education, junior high athletics and coaching junior varsity basketball and varsity track.

Faubus is a graduate of Arkansas Tech University and is originally from Fort Smith, Ark.

Ann Pearson from Texarkana is teaching English I and English III.

Queen City is the first place she has taught after attending college at Mills College in California, the University of Texas in Austin, Texarkana Community College, the University of Houston, East Texas State University and Southwest Texas State.

New boys' athletics coach and physical science teacher, David Wall, is a graduate of Atlanta High School.

Wall graduated from North Texas State University with a BS degree and from East Texas State University in Texarkana with an MS degree. Wall has previously taught at Liberty-Eylau.

Fall Workshop Set For Annual Staff

By DEAN MERRITT

The QCHS annual staff will attend a fall workshop at Mt. Pleasant High School Saturday, Sept. 12.

The program will be sponsored by Taylor Publishing Co. to help students become more familiar with the yearbook.

People who have not purchased their 1981 annuals still may buy one in Room 121 at the high school during school hours.

The extra copies can be bought for \$10 each.

book industry and graphics, as well as certain procedures to follow in designing the yearbook. A special

photography session will also be provided.

The annual staff sold ads for the 1982 yearbook Wednesday, and merchants who were missed will be contacted soon.

Annual staff members are Starr Smith and Benita Griffin, editors; Emil Armentaric, Tina Barrington, Honda Clements, Tracy Hayman, Cindy Mayn, Kevin McAlexander, Melissa Roon and Dianne Wright.

Club Activities Begin

By MONICA POLK

As school begins, the clubs and organizations at Queen City High start to function. And the Queen City Chapter of the Future Homemakers of America will begin a membership drive to strengthen its group. The drive will begin Tuesday, Sept. 8, and continue through Friday, Sept. 18.

Pam Shirley, FHA sponsor, said, "We have a fantastic slate of officers and a good line-up of activities this year. If the students are as enthusiastic as the officers, we will have a great year."

"I am really excited about this year. I feel that we will have a good organization," added Janice Richardson, FHA president.
