The High School presented a play "Do Nothing Dan" in conjunction with Texas Public School Week in March.

Where's the baton?

"I hope that's the right hand giving me the baton!"

Track

"Who says that short people can't get over these things!"

Fly like an eagle.

"We're getting tired of standing up here on our tippy-toes!"

Is this a new dance?

Coming in for a landing.

"Boy, could I use some Gatorade!"

"I'm not getting old, I'm getting better!"

"These stretching exercises are killing me!"

"I think I'm hung on the bar!"

Track

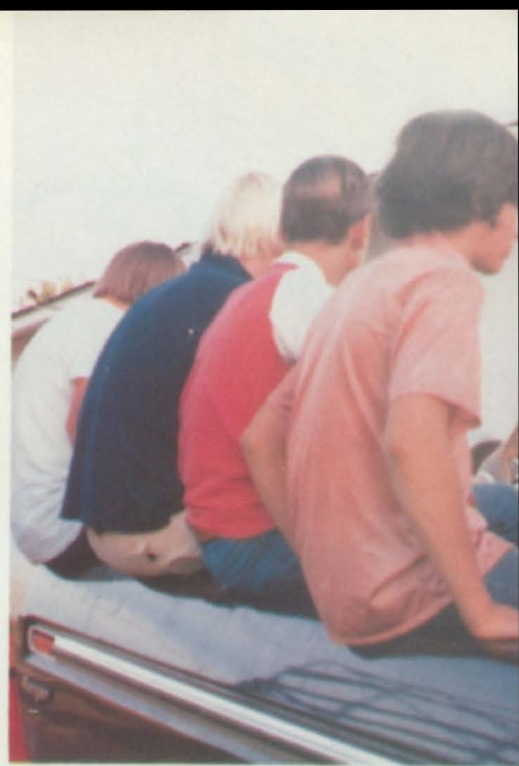

"Smile, you're on candid camera!"

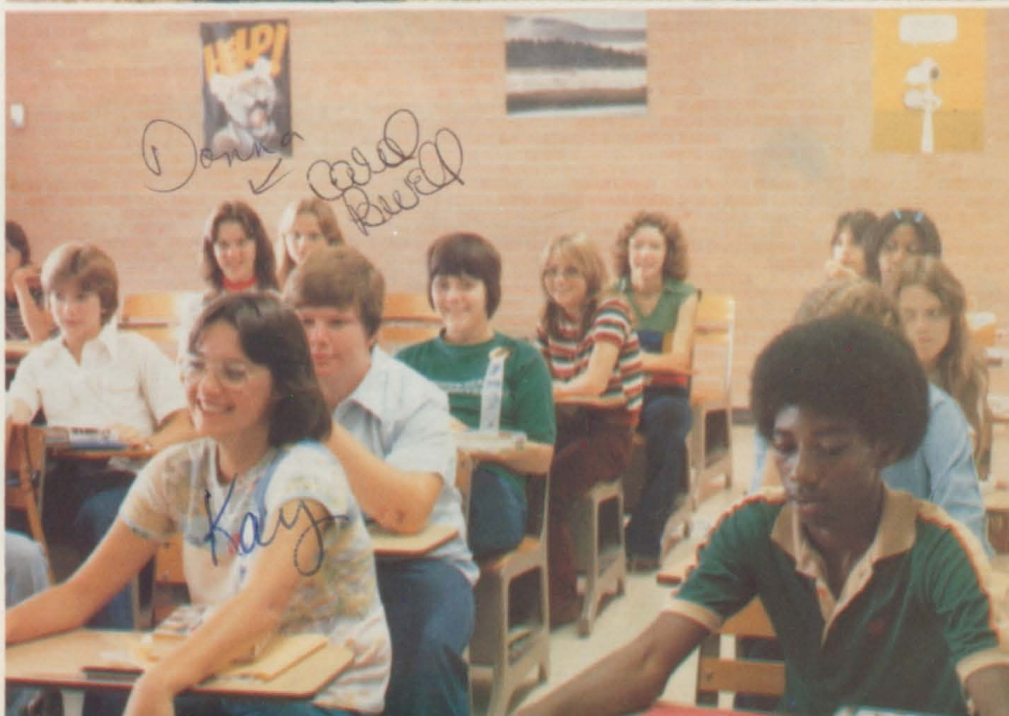

Such grace!

"I wouldn't consider this the easiest thing in the world to do!"

I've got it!
I've got it!

OOPS! There goes my arm.

Elementary Olympics

Spanky and his gang

The Elementary Olympics were held on May 19 and 20. There were two divisions — one for K-3 and one for 4-6. Each division featured events such as sack racing, running, jumping, baseball throw, football throw, tug-of-war, and even bubble blowing contests.

This isn't a baseball game.

Run! Run! Run!

Tug-a-war

"Isn't he cute!"

"If we do say so ourselves, we think the annual turned out pretty good!" (The Annual Staff)

April

April 1 was a big day at R.H.S. The annuals arrived and were distributed during the morning, and that night the Annual All-Sports Banquet was held. Bill Shoulders was Master of Ceremonies for the event, and the speaker was William V. Garner, Pastor of Emmanuel Baptist Church.

Bro. Garner gave the speech at the Sports Banquet.

Elementary Christmas Program

Kindergarten through third grade presented a Christmas program on Friday, December 16. The Santa Claus was played by Jeff Bell as shown in picture. The children really enjoyed the program to the fullest extent.

There was estimated to be about 600 people in attendance. Prior to the dedication, a barbecue luncheon was served to 450 people.

Superintendent's Message

To the Students, Employees, and Patrons of the Redwater Independent School District:

The 1977-1978 school year has been a year of progress for the Redwater School District.

As you look at this annual in the years ahead, remember that 1977-1978 was the year that a new vocational building was opened, a new high school was under construction, a new football field was used for the first time, and plans were under way for a new gym and elementary building. Remember, also, that none of this could have been accomplished without the cooperation of all the individuals in the District.

I wish to express my appreciation to each and everyone for the cooperation that has made this a very successful year.

Sincerely,

M. L. Barron,
Superintendent
