# RHS Cheerleaders 1985-86

Janet Daily, Mindi Martin, Susan Jaynes, Mindy Norman, Michelle Starrett, Kim Missildine, Pam Jaynes, and Sarah Pullen

The 1985-86 cheerleaders did a great job of boosting school spirit at RHS.

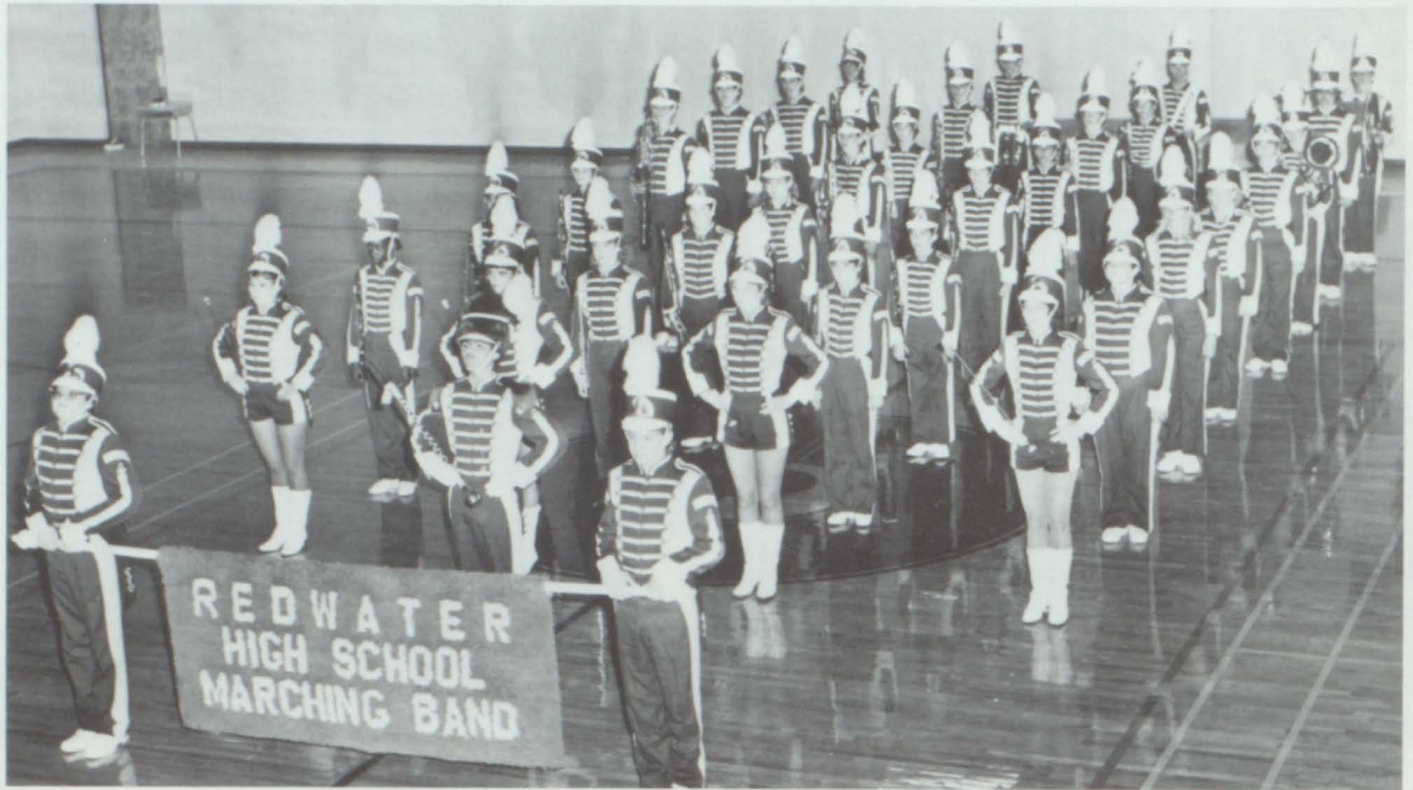

The pep rallies were full of fun activities in which everyone could participate. Anything went from amateur pyramids being built to shaving cream being splashed into the faces of our fellow classmates.

During summer camp at the University of Texas in Austin, they won 12 ribbons and were nominated for the most spirited squad. They were awarded the title of ICF Grand Champions and had the chance to travel to Nashville, TN for national competition.

# SPIRIT WEEK

Seniors show their spirit as they go for the spirit stick!!!

\*The B-Team\*

Tracy Lewis and Matt Neese participate in Character Day.

Michelle? or Madonna?

Spirit Week took place to celebrate the 1985 Dragon Homecoming.

Tacky Day started the week off as students came dressed in old rags and faded clothes.

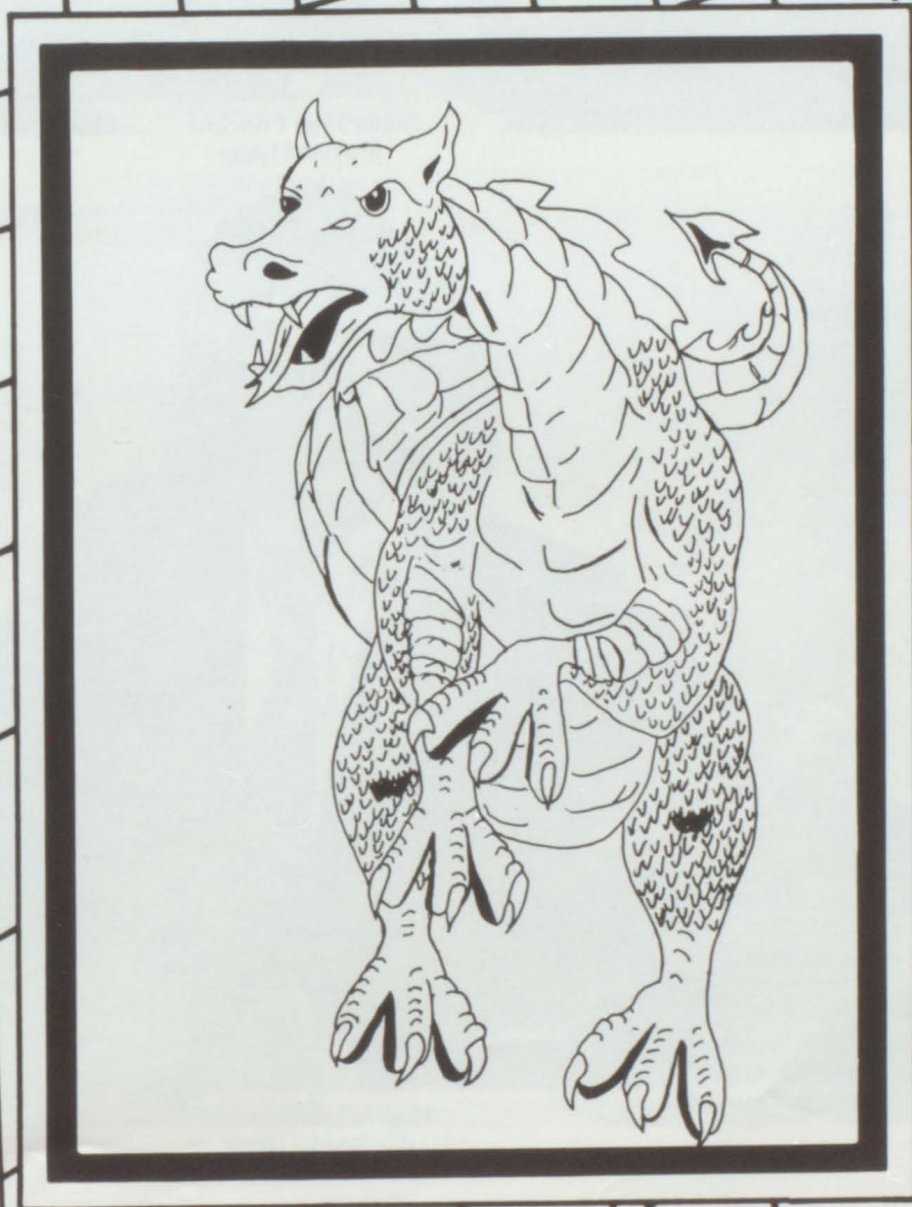

As the week progressed fellow students came dressed as their favorite characters, people from the 50's, and as their career choice.

Friday was celebrated as Blue and White Day. The Seniors organized a parade in which they decorated their cars as well as themselves.

The week wound down as the Seniors dominated the Spirit Stick.

The 1985 Jr. High Dragons had another outstanding season. For the second year in a row, the Dragons went through their District schedule undefeated. This year's team featured a high scoring offense and a stingy defense. There were great individual efforts as well as the outstanding team effort. This team exhibited great pride and determination in carrying on the Jr. High winning tradition. We look forward to many more winning seasons. Congratulations for a job well done.
